a new history of india now in its fifth edition explores today's affluent india this edition remains the most readable and illuminating one volume history of india and brings students up to date on current developments

india has a rich history covering thousands of years civilizations the rise of religions empires british rule revolution independence and much more in this book we explore the magnificent history of india from its ancient origins to its renaissance and concluding to its independence as a free nation while there are many books that explore india's unique history few are enjoyable most books are hopelessly dry overly academic and just downright difficult to follow fortunately this isn't one of those books in the pages that follow you'll find well written and accurate information without bias this concise history will respect your time by getting right to the point and giving you what you came to learn we strive to offer you a refreshing read with reliable well referenced information the book is divided into three parts part i ancient india discover the fantastic early civilizations and empires plus the cultural takeaways and perceptions from ancient times part ii mediaeval india a detailed look at the mughal campaigns that changed the face of india plus the maratha empire that stood up to the mighty mughal sultanate the british involvement in this dynamic part iii the freedom struggle a story of awakening independence and partitions led by the greats of gandhi bhagat singh subhash chandra bose and so on and much much more so if you want to find out more about indian history then this is the book for you

these three volumes are written for the general public and for students who desire to understand the history and culture of india though general works encompassing historical cultural economic political and administrative features the books are none the less

authentic and authoritative

the history of india in 50 events in the history of india in 50 events you will explore the rich and storied culture of the indian subcontinent this region of the world largely considered to be one of the cradles of civilization has developed over a period of over 5 000 years consequently this long run of history has drawn up a national history filled with intrigue philosophy art architectural wonders and the births and deaths of great men and women inside you will read about dawn of civilization vedic period mauryan empire and gupta empire medieval india age of exploration and colonialism independence and the modern age and much more from buddha to gandhi this account of indian history is but a taste of the full spectrum of historical flavor that one can experience when exploring indian history

the most authoritative and highly regarded single volume history of india from ancient time to the modern day five millennia of the sub continent s social economic political and cultural history are interpreted by one of our finest writers on india and the far east

chronicles 5 000 years of indian history from prehistoric civilization in the indus valley to the present

excerpt from a history of india from the earliest times to the present day it were greatly to be wished that mr wilson instead of writing notes to and continuing the history of mill had become himself the historian of our indian empire i know no one so well qualified to write that history in all its fulness with all the detail which would leave nothing to be desired for though thornton s has many merits and is written with much impartiality it is rather a popular history and the author avoids going much into detail contenting himself with general views as to mill i always regretted that he should have become the historian of india for though i have not the slightest doubt of his honesty his political notions were too utopian and his prejudices so strong that perhaps a third of his work is useless and all his elaborate reasonings and theories are refuted by his annotator often by simply showing that he was unacquainted with the real facts and was combating a phantom of his own creation as a writer on public law and political economy mr mill would i think be more in his

place than as a historian about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

a benchmark two volume history published in 1841 and the most popular work of its kind among the early victorian public
