dispelling myths answering questions and stimulating thoughtful avenues for further inquiry this highly absorbing reference provides a wealth of specific information about over 200 north american indian groups in canada and the united states readers will easily access important historical and contemporary facts about everything from notable leaders and relations with non natives to customs dress dwellings weapons government and religion this book is at once exhaustive and captivating covering myriad aspects of a people spread across a continent divided into ten geographic areas for easy reference this work illustrates each native american group in careful detail listed alphabetically starting with the tribal name translation origin and definition each entry includes significant facts about the group s location and population as well as impressive accounts of the group s history and culture bringing entries up to date barry pritzker also presents current information on each group s government economy legal status and land holdings whether interpreting the term tribe many traditional native american groups were not tribes at all but more like extended families or describing how a shoshone woman served as a guide on the lewis and clark expedition pritzker always presents the material in a clear and lively manner in light of past and ongoing injustices and the momentum of indian and inuit self determination movements an understanding of native american cultures as well as their contributions to contemporary society becomes increasingly important a magnificent resource this book liberally provides the essential information necessary to better grasp the history and cultures of north american indians

extensive information obtained about indians whose tribes have names beginning with a or b

an essential book for courses on native film indigenous media not to mention more general courses a very impressive and useful collection randolph lewis author of navajo talking picture the film industry and mainstream popular culture are notorious for promoting stereotypical images of native americans the noble and ignoble savage the pronoun challenged sidekick the ruthless warrior the female drudge the princess the sexualized maiden the drunk and others over the years indigenous filmmakers have both challenged these representations and moved past them offering their own distinct forms of cinematic expression native americans on film draws inspiration from the indigenous film movement bringing filmmakers into an intertextual conversation with academics from a variety of disciplines the resulting dialogue opens a myriad of possibilities for engaging students with ongoing debates what is indigenous film who is an indigenous filmmaker what are native filmmakers saying about indigenous film and their own work this thought provoking text offers theoretical approaches to understanding native cinema includes pedagogical strategies for teaching particular films and

validates the different voices approaches and worldviews that emerge across the movement accomplished scholars in the emerging field of native film studies marubbio and buffalohead focus clearly on the needs of this field they do scholars and students of native film a great service by reprinting four seminal and provocative essays james ruppert author of meditation in contemporary native american literature succeeds in depicting the complexities in study teaching and creating native film regardless of an individual's level of knowledge and expertise in native film native americans on film is a valuable read for anyone interested in this topic studies in american indian literatures

before the time of books computers tablets and recording devices the history of many cultures was passed down from person to person by word of mouth the rich histories of so many people were told in songs chants poems and stories this was and still is the way of native american tribes each in its own way enriching their stories with their own experiences by exploring these stories you will be offered you a glimpse into an often forgotten past by reliving these stories and songs we have the opportunity to bring life back to the ancient spirits that created them we have a chance to walk with the spirits of the past these stories were passed from one generation to the next and now these stories are given to you to carry forward for younger generations to explore and learn the mythology of north america is a cultural treasure house but many of these myths and legends are hidden away in various old and rare books it would be difficult for the average person to track down and collect this material because the rarity of some of these books makes them hard to acquire so this vast body of wisdom lies out of reach of most people until now included in this anthology are over 100 stories in the categories of star people animal tales people tales war tales origin tales and ghost tales among the stories collected are origin of the sweat lodge the story of poia the story of the land of northern lights tale of the lazy boys who became the pleiades the moon and the thunders the two war gods and the two maidens the first war a widow's revenge a war between the alabama and the choctaw the death of head chief and young mule two war trails escape of the seneca boys the end of the first world mistakes of old man iktomi's blanket iktomi and the muskrat beaver medicine the badger and the bear the tree bound the simpleton's wisdom crossing the red sea wakiash and the first totem pole the dogs of the chief's son the orphan boy captured by the bad thunderbirds godasiyo the woman chief lodge boy and thrown away's father blue corn maiden and the coming of winter the beginning of newness the origin of the society of rattlesnakes origin of the raven and the macaw how glooskap found the summer raven's great adventure how raven lost his beak apache creation story how the old man made people origin of the medicine man when the animals and birds were created creation of the first indians a little brave and the medicine woman the man who was afraid of nothing

the ghosts buffalo the land of the dead the skin shifting old woman and many more

when europeans first arrived in north america between five and eight million indigenous people were already living there but how did they come to be here what were their agricultural spiritual and hunting practices how did their societies evolve and what challenges do they face today eminent historians theda perdue and michael green begin by describing how nomadic bands of hunter gatherers followed the bison and woolly mammoth over the bering land mass between asia and what is now alaska between 25 000 and 15 000 years ago settling throughout north america they describe hunting practices among different tribes how some made the gradual transition to more settled agricultural ways of life the role of kinship and cooperation in native societies their varied burial rites and spiritual practices and many other features of native american life throughout the book perdue and green stress the great diversity of indigenous peoples in america who spoke more than 400 different languages before the arrival of europeans and whose ways of life varied according to the environments they settled in and adapted to so successfully most importantly the authors stress how native americans have struggled to maintain their sovereignty first with european powers and then with the united states in order to retain their lands govern themselves support their people and pursue practices that have made their lives meaningful going beyond the stereotypes that so often distort our views of native americans this very short introduction offers a historically accurate deeply engaging and often inspiring account of the wide array of native peoples in america about the series combining authority with wit accessibility and style very short introductions offer an introduction to some of life s most interesting topics written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to freud quantum theory to islam

the native american cookbook recipes from native american tribes offers a large collection of recipes from and inspired by native americans more than just a cookbook it is a trip into history the book seems like a personal journey for mullins back his heritage as a cherokee this book offers time proven favorites inventive new ideas and contemporary twists on native cuisine native american delicacies have shaped american culture as a whole today s society owes much of what it has learned about food and the natural american resources to the early native americans included in this book are many recipes that cover a wide range of native american cooking some recipes are tradition while others have been redeveloped over the years to include new ways of cooking and include new spices and ingredients the recipes in this collection have been chosen in a way to stay true to

the native experience the recipes in this collection include clover tea pemmican spiced winter squash butter sautéed native squash potatoes cherokee succotash cherokee fried hominy dandelion greens easy corn pudding three sisters stew apache acorn soup winter squash soup black bean soup seminole pumpkin soup indian spice cake native american cinnamon wild rice pudding rhubarb pie cherokee huckleberry bread frying pan blue bread rabbit soup cured venison buffalo stew baked quail with mushrooms baked trout bison chili maple salmon native skillet chicken and many many more

inuit north east indians iroquois and the algonquian tribes incas houses in ancient america inuit hunters food and communications travel and trade in ancient america gods myths and superstitions impact of europeans exploration settlement aztecs

before the time of books computers tablets and recording devices the history of many cultures was passed down from person to person by word of mouth the rich histories of so many people were told in songs chants poems and stories this was and still is the way of native american tribes each in its own way enriching their stories with their own experiences by reliving these stories and songs we have the opportunity to bring life back to the ancient spirits that created them we have a chance to walk with the spirits of the past native americans used their stories to teach the children the traditions of their grandfathers it was in this way that local customs were passed down and lessons were taught about how to live off the land and track animals it was with stories they learned to grow crops and thrive in their natural environment when foreign men entered and settled upon indian sacred lands the native americans were often forcibly removed they were sent to areas unfamiliar if it were not for their customs language and tradition passed down through stories they would have lost connection with who they were these songs and myths were their way of keeping their legacy alive being there were so many different tribes with countless beliefs and customs the only way to understand their ways is through understanding their stories in this book you will be shown a wide landscape of different tribes and hopefully present a true look at their beliefs and understand the native american people a little better the mythology of north america is a cultural treasure house but many of these myths and legends are hidden away in various old and rare books it would be difficult for the average person to track down and collect this material because the rarity of some of these books makes them hard to find so this vast body of wisdom lies out of reach of most people until now

native americans use storytelling to get to know one another as well as passing history and messages on to newer generations these stories are a heritage but they will be known only as long as they are told when someone ceases to tell a

story part of our cultural knowledge is gone the stories of native american indians have always possessed some greater meaning they are often based in nature or about animals and even though the tribes may vary in location or beliefs deep within you will find a common thread respect for nature can be heard in stories from tribes from canada to florida the stories included in this book show native american storytelling at its best among the stories included in this fourth volume of the native american story book are the woman and her bear the story of winter snow the warrior of high cliff the sacred pipe of the t salagi the origin of fire and the canoe the long journey a new bow for tani the trickster s great fall and his revenge grandfather thunder the origin of the doll being and many many more

explains how laws affect native americans outlines historical development of applicable state and federal laws rulings and administrative decisions explores complex legal issues discusses traditional indian approaches to resolving disputes and explains how the present day native american legal structure came about

encyclopedic summary of prehistory history cultures and political and social aspects of native peoples in siberia alaska the canadian arctic and greenland

examines indian gaming in detail what it is how it became one of the most politically charged phenomena for tribes and states today and the legal and political compromises that shape its present and will determine its future

treuer an ojibwe scholar and cultural preservationist answers the most commonly asked questions about american indians both historical and modern he gives a frank funny and personal tour of what s up with indians anyway

the myths and legends are divided by geographical region and then further divided into six categories origin myths all powerful spirits hero creatures and monsters holy places sacred sites revered animals and rituals and ceremonies

written in an easy to read narrative format this volume provides the most comprehensive coverage of north american indians from earliest evidence through 1990 it shows indians as a people with history and not as primitives covering current ideological issues and political situations including treaty rights sovereignty and repatriation a must read for anyone interested in north american indian history this is a comprehensive and thought provoking approach to the history of the native peoples of north america including mexico and canada and their civilizations for native american courses taught in anthropology history and native american studies

this is a sweeping survey of american indian agriculture from its ancient origins to

the present it combines a wealth of historical anthropological legal and economic information in a clear readable synthesis this is without doubt the most thorough and comprehensive treatment of american indian agriculture in print it is multidisciplinary and impressive both in scope and in depth hurt shows a deft hand in summarizing not only the literature on the evolution of agriculture in north america but also the dismal failure of american indian policy to build on earlier native american achievements this book is the starting point for any serious consideration of the literature on subjects ranging from the domestication of corn to pre contact irrigation to current indian water rights richard white author of it s your misfortune and none of my own this extremely worthwhile work is a significant contribution to both indian history and general american history gilbert fite past president of the agricultural history society and the western history association merits the attention of all who are concerned about the past present and future of american indians the chapters devoted to the past century should be required reading for students of modern agricultural and american indian history peter iverson author of when indians became cowboys native peoples and cattle ranching in the american west a very thorough and readable account the scope of this work is truly impressive the bulk of it revolves around the implementation of united states federal indian policies aimed at transforming native americans into self sufficient yeoman farmers and farm families during the nineteenth and twentieth centuries hurt s chapters on indian agriculture and water rights in the twentieth century are very timely and instructive should become a standard text for american indian history courses new mexico historical review a useful introduction to the subject that is organized in an admirably clear fashion and can be recommended to student and specialist alike journal of american history offers fresh and vital insights into the life and culture of the american indian american historical review a comprehensive authoritative account of one of the most significant topics in the history of indian white relations western historical quarterly

two volume set with brief entries for all known american indian tribes
