helen keller s personal account of how she miraculously triumphed over blindness and deafness becoming one of the most inspiring and intriguing figures in history is available in this 100th anniversary edition that features a facsimile of the braille alphabet a sign language alphabet a full selection of keller s letters and a new introduction

the story of my life is the touching autobiography of helen keller an american writer and activist who fought and overcame blindness and deafness for this she relied on the help of her teacher anne sullivan who had also been blind and partially recovered after nine surgeries it s an inspiring narrative written by an exceptionally intelligent and insightful young woman who has since become an american legend the book the story of my life published in 1902 was a huge public success and the story was brought to the screen in 1962 in the movie the miracle worker the story of my life is an inspiring and unforgettable read and is part of the famous collection 501 books you must read

brief factual information about helen keller who became deaf blind at a young age and anne sullivan her teacher the text is followed by a play examining their relationship and helen keller s achievements suggested level primary intermediate

the biography of helen keller a deaf and blind girl and anne sullivan macy her teacher

at the heart of this wonderful biography is the brilliantly portrayed relationship between two great american women whose lives were bound together for all time something fascinating on every page a deeply absorbing portrait of two intertwined lives the new york times book review photos

helen keller couldn't hear couldn't see and at first couldn't speak three decades after her death in 1968 she has become a symbol of the indomitable human spirit and she remains a legendary figure with her zest for life and learning and her strength and courage she was able to transcend her severe disabilities in a society fearful of limitation and mortality she is an enduring icon a woman who by her inspiring example made disability seem less horrifying william gibson's play the miracle worker which portrayed helen keller's childhood relationship with her teacher annie sullivan was so compelling that most people are only familiar with this early part of helen's life but the real helen keller did grow up and her adult life was more problematic than her inspiring childhood the existence she shared with the complicated half blind annie sullivan was turbulent with its intrigues doomed marriages and love affairs and battles against physical and mental infirmity as well as the constant struggles to earn a living dorothy herrmann's biography of helen keller takes us through helen's long eventful life a life that would have crushed a woman less stoic and adaptable and less protected she was either venerated as a saint or damned as a fraud and one of the most persistent controversies surrounding her had to do with her relationship to the fiercely devoted annie through whom she largely expressed herself dorothy herrmann explores these questions was annie sullivan a miracle worker or a domineering emotionally troubled woman who shrewdly realized that making a deaf blind girl of average intelligence appear extraordinary was her ticket to fame and fortune was she merely an instrument through which helen's brilliance could manifest itself or was annie herself the genius the exceptionally gifted and sensitive one herrmann describes the nature of helen's strange sensorily deprived world was it a black and silent tomb and she shows how helen was so cheerful about her disabilities often appearing in public as the soul of radiance and altruism was it helen's real self that emerged at age seven when she was transformed by language from a savage animal like creature into a human being or was it a false persona manufactured by the driven annie sullivan dorothy herrmann tells why despite her romantic involvements helen was never permitted to marry she shows us the woman who to communicate with the outside world relied totally on those who knew the manual finger language for almost her entire life these people some of whom were jealous or dogmatic were the key to helen's world reading dorothy herrmann's engrossing book we come to know the real helen keller a complex and enigmatic person beautiful intelligent high strung and passionate a woman who might have lived the life of a spoiled willful and highly sexed southern belle had her disabilities not forced her into a radically different existence

a sparkling biography tells the incredible story of a woman who overcame her dark silent world

if you are looking for an inspirational true life hero to introduce your children to helen keller is definitely a good choice meet helen keller was written for children age 8 up with many colorful illustrations this biography focuses on helen keller s life stories and how she overcame her disabilities helen keller was a very special woman who did not let a problem keep her from reaching her goals before she was two years old a quick illness left her unable to see or hear any more suddenly in a dark quiet place helen depended on the love of her family and friends and her own strong curiosity to learn with the patience and creativity of a loving teacher helen learned how to read special books speak and type for herself helen worked very hard to share what she learned to help other people get past their disabilities and problems her fight for fairness for all people has made helen keller one of the most famous women in the world

introduces the life and accomplishments of helen keller including her activism for people with disabilities

helen keller overcame incredible odds to become a champion for people with visual and hearing impairments keller herself became deaf and blind after a childhood illness in 1882 with the help of her beloved teacher anne sullivan keller learned to communicate with the world and grew up to be a renowned author and activist this inspiring biography uses keller s own words and ideas as a primary source so that readers can better know and understand this amazing woman and leader an advocate for anyone who has experienced discrimination and hardship

when she was 19 months old helen keller 1880 1968 suffered a severe illness that left her blind and deaf not long after she also became mute her tenacious struggle to overcome these handicaps with the help of her inspired teacher anne sullivan is one of the great stories of human courage and dedication in this classic autobiography first published in 1903 miss keller recounts the first 22 years of her life including the magical moment at the water pump when recognizing the connection between the word water and the cold liquid flowing over her hand she realized that objects had names subsequent experiences were equally noteworthy her joy at eventually learning to speak her friendships with oliver wendell holmes edward everett hale and other notables her education at radcliffe from which she graduated cum laude and underlying all her extraordinary relationship with miss sullivan who showed a remarkable genius for communicating with her eager and quick to learn pupil these and many other aspects of helen keller s life are presented here in clear straightforward prose full of wonderful descriptions and imagery that would do credit to a sighted writer completely devoid of self pity yet full of love and compassion for others this deeply moving memoir offers an unforgettable portrait of one of the outstanding women of the twentieth century

this easy to read relates the remarkable life of helen keller the tragic illness that made her world forever dark and silent and the teacher

who gave her a new kind of language and a new hope

a photographic story of the life of helen keller
