david o russell b 1958 boasts a diverse body of work as a writer and director spanning multiple
genres and featuring radically differing aesthetic styles while his early work comically explored
taboo subjects with unerring directness he has also investigated politics with explosive satire in his

result may be a color palette resembling the washed out pages of a newspaper achieved by
manipulating the film stock for three kings or the tumultuous opening of the fighter when an
audacious roving camera plunges viewers straight into the story from the very first shots of the film
rather than building a signature style russell has instead tested the varied possibilities of cinematic
expression this career spanning volume features conversations with scholars and journalists as
well as filmmakers speaking to directors like alexander payne and spike jonze russell contextualizes
each of his films offers an intimate account of his evolving writing and directing process and opens
