business law today standard edition is an accessible law text with high interest and exceptional visual appeal this is a book that professors like while students appreciate its thorough dynamic coverage of traditional business law topics and summarized cases this text meets the aacsb curriculum requirements

this thoughtfully edited volume brings together leading scholars in the field to explore the relationship between the substantive standards of treatment contained in international investment agreements and the rule of law which is developing into one of the key principles which both supporters and critics use to evaluate the investment treaty regime investment protection standards and the rule of law explores two perspectives firstly it examines to what extent the substantive standards of treatment can be understood as expressions of the rule of law secondly it addresses the rule of law problems or rule of law lacunae that exist in or are created by the application of these standards the subject matter is advanced by combining doctrinal analysis of the core substantive treatment standards as well as normative assessment of those standards from the perspective of the rule of law this book also offers a critical discussion of the potential the rule of law has as a guidepost for structuring international investment relations as well as its blind spots

this book analyses the founding years of consumer law and consumer policy in europe it combines two dimensions the making of national consumer law and the making of european consumer law and how both are intertwined the chapters on germany italy the nordic countries and the united kingdom serve to explain the economic and the political background which led to different legal and policy approaches in the then old member states from the 1960s onwards the chapter on poland adds a different layer the one of a former socialist country with its own consumer law and how joining the eu affected consumer law at the national level the making of european consumer law started in the 1970s rather cautiously but gradually the european commission took an ever stronger position in promoting not only european consumer law but also in supporting the building of the european consumer organisation beuc the umbrella organisation of the national consumer bodies the book unites the early protagonists who were involved in the making of consumer law in europe guido alpa ludwig kr[?] mer ewa letowska hans w micklitz klaus tonner iain ramsay and thomas wilhelmsson supported by the younger generation aneta wiewi[?] rowska domagalska mateusz grochowski and koen docter who reconstructs the history of beuc niklas olsen and thomas roethe analyse the construction of this policy field from a historical and sociological perspective this book offers a unique opportunity to understand a legal and political field that of consumer law and policy which plays a fundamental role in our contemporary societies

this book by the etui transnational trade union rights expert network analyses enforcement as a key element making eu labour law effective or ineffective enforcement is the key ingredient that makes rights effective and ensures compliance it can make or break a legal system despite this enforcement of eu labour law has received little scholarly attention in recent decades and has rarely been examined in a comprehensive way this book aims to fill this gap intended for academics and practitioners alike the book adopts a threefold approach to examine this issue first of all it explores the idea of effective enforcement and sets out the wider context in which eu labour law enforcement takes place secondly it analyses how enforcement operates in particular areas including non discrimination health and safety information and consultation rights and the rights of migrating workers thirdly it critically assesses the role of specific actors in particular collective actors like trade unions as well as whistle blowers and the european labour authority and settings public procurement economic and monetary policy regulated by eu law drawing on the insights produced by these analyses the book concludes by proposing a comprehensive draft for a model directive on effective enforcement of eu labour law as an inspiration for policy development and scholarly debate in this area
