the plea of insanity in criminal cases can be traced back at least to the babylonian code

of hamurabi which dates from 1755 1759 bc it is a complicated defence and its origins in modern law lie with what are called the m naghten rules of 1843 formulated by british judges as a jury instruction in cases where a plea of insanity had been entered daniel m naghten shot and killed one edward drummond believing him to be the british prime minister sir robert peel and was acquitted on the grounds of insanity and the m naghten rules still exert considerable influence over defences today clearly a plea of insanity in murder cases is of critical importance when the death penalty is still applied and even today it may still be the difference between a life sentence in a high security prison or an indeterminate one in a secure psychiatric hospital meanwhile 27 of the usa s 50 states have retained or readopted the death penalty and at least 54 other countries including china russia india iran and saudi arabia also retain it naturally a criminal who was liable to swing for murder could and sometimes did make every attempt to appear insane and this book examines some of these cases as well as trials in which the accused was indeed judged to be insane the failure rate is high of seven american serial killers who deployed the defence in their trials only two were successful ending their days in secure psychiatric facilities two were executed and the other three either died or were killed while serving full life sentences or are still in gaol

matt kroc kroczaleski is a world champion record holding powerlifter and an npc bodybuilder known for his grueling high intensity workouts insane training is what kroc is famous for his new book of the same name is full of programs that will help every gym rat take it to the next level whether that s flipping a tractor tire 100 yards deadlifting three times their body weight improving athletic performance or puking in a bucket this book has it all not for the faint of heart or average gym goer this is for athletes who want to take their training to the max are you insane enough to try learn how to squat for maximum poundage lift weights anywhere with a little creativity push yourself to the limit with the 1000 rep arm training session smash through your workout plateaus become the ultimate insane training beast

a collection of term papers and essays i wrote over my college career most are anthropology archaeology and history with a spattering of other subjects

the insanity defense reveals many sides of woody allen as he holds forth on the most human of urges why does man kill he kills for food and not only for food frequently there must be a beverage reflects on death i don t believe in an afterlife although i am bringing a change of underwear and notes the effect on history wrought by trick chewing gum the dribble glass and other novelties there is also an inspiring story of the futile race to beat dr heimlich to the punch the food went down the wrong pipe and choking occurred grasping the mouse firmly by the tail i snapped it like a small whip and the morsel of cheese came loose if we can transfer the procedure to humans we may have something too early to tell publishers description

nightmare on elm street meets the stand kirkus reviews a meteorite fragment cures a teenaged trans girl s schizophrenia but leaves her with visions of ancient warring gods annihilating each other in space as the earth hurtles toward the cloud that is the shattered bodies of those eternal enemies their eons old conflict is rekindled on earth to divide and destroy humanity can she and her brother stop the spread of global disaster

soon after dr elizabeth shreve s husband of 15 years leaves her she finds herself dangerously close to joining her free spirited bipolar former patient jack bolton in a summer of glorious madness

the coauthors of after the fast claim that people who suffer from fat madness spend every moment thinking about food fat and failure sinaikin and sachs offer dieters a nine step fitness plan that not only helps them maintain weight loss but also to not be victims and to take charge of their lives

what started as a vision about the olifants river game reserve has become the story of a game ranger s lifehe tells his story here and provides a wealth of lessons on

conservation as well as stories of life in the bush as it is enjoyed only by those fortunate enough to live on a big five reserve with a naturalist's eye for detail as well as the bigger picture of managing a fragile ecosystem through years of drought and plenty mario cesare brings a storyteller's delight and a dash of italian passion to sharing his world life and death encounters with lion elephant and buffalo are balanced by rescues and interventions as these giants of the lowveld suffer the effects of human interference in their ecosystem there are problems with poachers and with rapacious neighbors then the delights of success and in the case of the elephant population the conundrums of too much success

during a year of living botanically dodson goes behind the scenes of the world's two most important garden shows spends time with the botticelli of bulbs meets a man smuggling exotic day lilies and hangs out with three of the most accomplished gardening fanatics on earth

for twenty years this award winning compilation has been the nonpareil benchmark against which all other annual fantasy and horror collections are judged directed first by ellen datlow and terri windling and for the past four years by datlow and kelly link and gavin j grant it consistently presents the strangest the funniest the darkest the sharpest the most original in short the best fantasy and horror the current collection marking a score of years offers more than forty stories and poems from almost as many sources summations of the field by the editors are complemented by articles by edward bryant charles de lint and jeff vandermeer highlighting the best of the fantastic in respectively media music and comics as well as honorable mentions notable works that didn't quite make the cut but are nonetheless worthy of attention the year's best fantasy and horror twentieth annual collection is a cornucopia of fantastic delights an unparalleled resource and indispensable reference that captures the unique excitement and beauty of the fantastic in all its gloriously diverse forms from the lightest fantasy to the darkest horror

a compulsively readable book about the literary marriage of a great american writer and his talented yet often overlooked wife who succumbed to madness as her husband rose to worldwide fame

for most of us life has become such a pressure cooker of unrealistic expectations information overload relentless marketing and workaholism that we spend our days stressed out over being stressed out guided by the timeless wisdom of her grandmother francesca renowned stress coach and humorist loretta laroche makes us see the wisdom of a more civilized time when no one carried a cell phone during a peaceful walk on the beach in life is not a stress rehearsal loretta takes an honest and hilarious look at the gizmos self help regimens talking heads comfort products nutrition plans and sexual freedoms that we have all come to believe will make our lives better she shows us that in many ways they re filling our lives with more stress and insanity and keeping us isolated from the thing that matters most in any healthy life real human connection with loretta s contemporary wit and a hearty dose of francesca s old world wisdom life is not a stress rehearsal is a breath of fresh air for everyone who s suffocating in our techno crazed germ phobic go go go world
