demonology the intellectual study of demons and their powers contributed to the prosecution of thousands of witches but how exactly did intellectual ideas relate to prosecutions recent scholarship has shown that some of the demonologists concerns remained at an abstract intellectual level while some of the judges concerns reflected popular culture this book brings demonology and witch hunting back together while placing both topics in their specific regional cultures the book s chapters each written by a leading scholar cover most regions of europe from scandinavia and britain through to germany france and switzerland and italy and spain by focusing on various intellectual levels of demonology from sophisticated demonological thought to the development of specific demonological ideas and ideas within the witch trial environment the book offers a thorough examination of the relationship between demonology and witch hunting demonology and witch hunting in early modern europe is essential reading for all students and researchers of the history of demonology witch hunting and early modern europe

deliverance from witchcraft familiar spirits is an invaluable guide to witchcraft in all its forms and what can be done to combat this very real evil it is written by reverend anthony kwadwo boakye of the resurrection power new generation church in accra ghana and his expertise on the subject means that this book is vital for anyone who wants to know more about witchcraft or who has been unfortunate enough to have personal experience of it themselves the book gives a clear outline of what witchcraft is as well as how it can enter homes and ruin lives it includes testimonies of people who the author has met and who have experienced the horrors of witchcraft including some who were under its dark influence and lived to tell their stories the book gives practical examples of the symptoms of witchcraft and the treatments which can be used to combat it but is underpinned by strong christian messages of morality and faith deliverance from witchcraft familiar spirits is a must read for any christian and for anyone who is interested in the deliverance ministry or in the pain and suffering caused around the world by witchcraft in all its forms

this classic of esoterica explores witchcraft sorcery necromancy damnation satanism and every variety of magic written by the field's foremost scholar it features colorful little known anecdotes about witches devils and their arts it also provides numerous historical accounts of witch trials and surveys the role of witches in literature

this work about witchcraft sorcery black magic neuromancy damnation satanism and every kind of magic and occult is written by the undisputed scholar in the field and is a work of unprecedented authority of interest to all who are connected with the subject

in ill health following a stroke sir walter scott wrote letters on demonology and witchcraft at the behest of his son in law j g lockhart who worked for a publishing firm the book proved popular and scott was paid six hundred pounds which he desperately needed despite his success as a novelist scott was almost ruined when the ballantyne publishing firm where he was a partner went bankrupt in 1826 letters was written when educated society believed itself in enlightened times due to advances in modern science letters however revealed that all social classes still held beliefs in ghosts witches warlocks fairies elves diabolism the occult and even werewolves sourcing from prior sixteenth and seventeenth century treatises on demonology along with contemporary accounts from england europe and north america cotton mather's magnalia christi for one scott's discourses on the psychological religious physical and preternatural explanations for these beliefs are essential reading for acolytes of the dark and macabre the letters dealing with witch hunts trials letters eight and nine and torture are morbidly compelling scott was neither fully pro rational modernity nor totally anti superstitious past as his skepticism of one of the new sciences skullology as he calls it is made clear in a private letter to a friend thus letters is both a personal and intellectual examination of conflicting belief systems when popular science began to challenge superstition in earnest

argues that the discipline of demonology is a totally unnecessary and accidental element of christian belief and is no way born out of revealed religion the author is primarily concerned with demonology within the roman catholic church though states that the book should be relevant to all branches of christianity

denounced by neighbors and scrutinized by demonologists the early modern french witch also confessed self identified as a witch and as the author of horrific deeds what led her to this point despair solitude perhaps even physical pain but most decisively demonology s two pronged prosecutorial and truth seeking confessional apparatus this book examines the systematic and well oiled machinery that served to extract interpret and disseminate witches confessions in early modern france for the demonologist confession was the only way to find out the truth about the clandestine activities of witches for the witch however trial confessions opened new horizons of selfhood in this book virginia krause unravels the threads that wove together the demonologist s will to know and the witch s subjectivity by examining textual and visual evidence krause shows how confession not only generated demonological theory but also brought forth a specific kind of self which we now recognize as the modern subject

irish witchcraft and demonology is an excellent source book of the witch persecution in ireland as well as a wide range of other paranormal events such as poltergeists ghosts and even an early ufo account this book is a well documented reader with extensive and fascinating quotes from historical source documents
