das buch richtet sich an alle manager berater und strategen und solche die es werden wollen nach einem kurzen rückblick auf die entstehung der strategie im wirtschaftsleben widmet sich der autor den beiden asiatischen militärstrategen sun tzu sunzi und musashi und ihren lehren behandelt werden nicht nur die beiden originalschriften die kunst des krieges und das buch

der fünf ringe sondern auch sieben aktuelle ratgeber internationaler autoren

this is the first comprehensive study based on a detailed textual analysis of the classical works on war by clausewitz sun tzu mao tse tung and to a lesser extent jomini and machiavelli brushing stereotypes aside the author takes a fresh look at what these strategic thinkers actually said not what they are widely believed to have said he finds that despite their apparent differences in terms of time place cultural background and level of material technological development all had much more in common than previously supposed in fact the central conclusion of this book is that the logic of waging war and of strategic thinking is as universal and timeless as human nature itself this third revised and expanded edition includes five new chapters and some new charts and diagrams
