this book highlights the relationship between feminist theory and political practice and examines the diversity of feminist visions and voices by race class gender sexual orientation and global location it interweaves the history of feminist thought with the history of the u s women s movement to ground feminist perspectives in their socio historical contexts

reading feminist theory from modernity to postmodernity interweaves classical and contemporary writings from the social sciences and the humanities to represent feminist thought from the late eighteenth century to the present editors susan archer mann and ashly suzanne patterson pay close attention to the multiplicity and diversity of feminist voices visions and vantage points by race class gender sexuality and global location along with more conventional forms of theorizing this anthology points to multiple sites of theory production both inside and outside of the academy and includes personal narratives poems short stories zines and even music lyrics offering a truly global perspective the book devotes three chapters and more than thirty readings to the topics of colonialism imperialism and globalization it also

provides extensive coverage of third wave feminism poststructuralism queer theory postcolonial theory and transnational feminisms

the phrase feminist pedagogy couples the contemporary and the traditional joining current political movements with a concern for the transmission of knowledge more ancient than the greek word for teaching now two decades after the first women s studies courses appeared on campuses their place in higher education happily needs little demonstration gendered subjects combines a number of classic statements on feminist pedagogy from the 1970s with recent original essays making significant and original contributions to the field as the new scholarship on women has changed the content and structure of knowledge in every field so this collection aims to mirror this impact on feminist pedagogy with articles ranging from broad theoretical perspectives on the realities of the classroom to international explorations on how race gender and class and political orientation inform feminist enquiry

the relation between feminism and men is often presumed to be antagonistic so that men are expected to resist feminism and feminists are assumed to hate men that pattern of opposition is disrupted however by the continually increasing numbers of men who are participating in feminist theory and practice trying to integrate feminist perspectives into their scholarship teaching work play friendships and romantic involvements responses to this male feminism have varied sometimes male feminists find some female feminists critical of men who oppose or decline to join feminist projects but also rebuff the few men who do undertake feminist projects on the other hand some women feminists have unequivocally welcomed men as allies in political business religious and academic contexts the essays in men doing feminism reveal that there is justification for both views the skeptical and the enthusiastic because feminist men are as diverse as feminist women many of the eighteen contributors to this book women men blacks whites gays straights transsexuals use personal narrative to show ways that men s lives can shape their approaches to doing feminism and to convey the opportunities and challenges involved in integrating feminism into a man s life some authors argue that men s experiences prepare them to make contributions that are of crucial importance to feminist theory others argue that men must radically reform or even abandon manhood and masculinity if they are to be feminists in men doing feminism feminist theory is used to illuminate men s lives and men s lives serve as a basis for feminist theory contributors michael awkward susan bordo harry brod tom digby judith k gardiner c jacob hale sandra harding patrick hopkins joy james david kahane michael kimmel gary lemons larry may brian pronger henry rubin richard schmitt james p sterba laurence mordekhai thomas and thomas e wartenberg

a critique of conventional approaches to communication research the authors argue that the impact of gender on research practices has been ignored by exploring gender issues and conducting applied research in the areas of mass and interpersonal communication therapeutic interaction and rhetoric they critique traditional scholarship and offer novel alternatives the authors take intact theories and methods and show their applicability or lack thereof to the study of women s communication the adaptations allow researchers to conduct more accurate sensitive and theoretically sound analyses of womens communication than those promoted by traditional paradigms

written by distinguished and varied contributors they explore the complex relationship between feminism and psychoanalysis and address broader questions of gender

by now it must be clear to even the most traditional of male scholars that in doing sociological research we can no longer follow evans pritchard s advice to behave like a gentleman keep off the women take quinine daily and play it by ear this volume presents accounts of research work undertaken by sociologists who have been influenced by feminism or the feminist critique of sociology or both it proceeds from the basis that problems raised in personal accounts of research are themselves of sociological importance and that such accounts can offer the student an insight into research of a kind that is often denied by conventional methods textbooks that there are sexual as well as social divisions in society cannot be ignored by sociologists but much of the work that has appeared up to now has been concerned with making women visible within sociology

american psychologist and pragmatist philosopher james 1842 1910 is generally considered too individualistic to have had any interest in politics but miller argues that political concerns were in fact central to his intellectual work he finds in james a theorist of action explores the complexities of his theory and related his thought to miller s own experience as a political activist and scholar annotation copyrighted by book news inc portland or
