contents on dvds 1 tutorials 2 short films

this comprehensive introduction to film focuses on three topics how movies express meanings how viewers understand those meanings and

how cinema functions globally as both an art and a business using clear accessible and jargon free writing this is the only introductory film text to examine the elements of film style and the viewer's contribution to the cinema experience how do viewers interpret the effects filmmakers create how do filmmakers anticipate and build on the likely ways viewers will react to certain kinds of stories and audio visual designs the text examines both how filmmakers create images and sounds and the mechanisms and processes by which viewers make sense of images and stories on screen this approach helps students understand not only the basic concepts but also how their own reactions and opinions impact the overall film experience

this is a comprehensive textbook for students of cinema it provides a guide to the main concepts used to analyse the film industry and film texts and also introduces some of the world's key national cinemas

emerging filmmakers need to know the basics of their art form the language of the camera and lenses the different crew roles the formats the aspect ratios they also need to know some bare bones theory what an auteur is what montage is what genres are most important all filmmakers require serious grounding in film you cannot be a great artist if you aren't versed in great art an introduction to film covers all these aspects from a director and filmmaker's perspective according to cox academics have a very specific take on things and a language of their own that take and that language aren't mine i'm a film director writer actor and producer so my intro to film may be somewhat different from the standard introductory text i am less focused on film theory and more on a film's meaning the intentions of the filmmaker and how they got their film made

an introduction to film studies as it's actually done by scholars and critics

building on students' enthusiasm for screened entertainment looking at movies is more successful than any other text at motivating students to understand and analyze what they see onscreen the seventh edition features new and refreshed video assessment and interactive media making the book's pathbreaking media program more assignable and gradable than ever before looking at movies gives instructors all they need to inspire students to graduate from passive watching to active looking

this core textbook offers a concise yet complete introduction to film responding to shifts in the medium while addressing all of the

main approaches that inform film studies the rise of on demand internet based video has transformed the way films are distributed and exhibited with many previously unobtainable and obscure films becoming available for global audiences to view instantly interweaving historical and current theoretical approaches nick lacey presents a tightly focused and coherent overview of a discipline in transition which can be read cover to cover or in distinct chapters with its original narrative line and student oriented philosophy the text greatly enriches student s appreciation of cinema while equipping them with the essential skills and vocabulary to succeed in film studies this is an ideal foundational text for all lecturers undergraduate or a level students of film and cinema studies as well as enthusiasts of film and cinema looking for a comprehensive guide new to this edition content reflecting the increasing importance of production contexts in chapters focusing exclusively on the film business distribution and exhibition a more detailed chapter on representation and greater emphasis on audience updated content addressing the significance of transnational cinema drawing on a more global non hollywood range of film examples and case studies from europe asia and latin america text is broken up by a wider variety of film stills representing world cinema from the classics to the latest in contemporary cinema
