how can churches in america modeling the oldest christian communities renew themselves form within they can look to examples of thriving small christian communities within their own country and throughout the world this inspiring book shows what is happening now across six continents to give pastors and lay leaders of every denomination encouragement through useable examples from their counterparts around the world

in gathered and sent bernard lee and michael cowan propose a mode of doing theology within small christian communities that is marked by conversation and active participation by all it is a practical theology where people reflect on their whole lives personal and social in the light of christian faith make commitments to action in light of that reflection and hold one another accountable for those commitments book jacket title summary field provided by blackwell north america inc all rights reserved

examines the pastoral and theological implications of north american small christian community programs

an indispensable source of advice and encouragement for the small church pastor including how to formulate a mission while understanding the cultures of the community and the church

drawing from the experiences of ministers in smaller churches from coast to coast leaders and members alike will find motivation and resources for vision casting and strategic planning in the ministry setting of the smaller church and community this book addresses topics including outreach evangelism missions youth ministry children s ministry working with volunteers and planning for growth

where two are gathered tells the stories of twelve small christian communities each chapter includes prayer good news from the scriptures a community s story and questions for reflection and community sharing

in this unique resource fr michael e connors csc gathers and expertly guides the collective wisdom of experienced preachers and homilists to provide a unique resource that examines the preacher s unique role as shepherd and a spiritual leader the chapters will investigate these dual roles according to the roots of the catholic spiritual tradition and provide practical advice for priests deacons seminarians in homiletics classes or preaching classes retreat leaders rcia catechists all who preach preaching as spiritual leadership provides solutions to the following questions how is preaching embedded in the church s pastoral mission what does it mean to be a shepherd and spiritual leader for others how can a preacher flourish in the role of spiritual leader how can we lead others into committed discipleship through preaching to be a shepherd and spiritual leader the preacher must be in some sense a mystic who is filled with the lord s gracious presence a presence to be shared with others

homilists are a sacramental people they must also be a mystagogues ministers who can both lead the community's ritual celebrations and help the people of god to plunge into the liturgy with lively faith to touch the holy realities behind them

this all in one guide is designed to better equip clergy and the church leaders to meet their congregations needs in a spiritually grounded and scientifically sound manner succinct easy to read chapters summarize all a pastor needs to know about a given problem area including its signs or symptoms questions to ask effective helping skills and most importantly when to refer to a mental health professional synthesizing what research says about treatment approaches for mental health issues this user friendly reference is filled with guidelines case scenarios key points to remember resources for further help advice on integrating scripture and theology with the best available research and tips on partnering with others to provide the best possible care for each church member each chapter is designed for quick lookup by problem area empowering church leaders to understand and help meet the challenges facing the children adults families and communities that they serve

in conversation risk conversion two of america's acknowledged leaders and most trusted thinkers on the phenomenon of small christian communities explore their growth development and impact in the u s over the last decade cowan and lee address issues such as the mission of sccs and conflict resolution within them most importantly by reflecting on both the internal and public dimensions of sccs conversation risk conversion offers a cogent social analysis of the catholic church in the u s today

small christian communities sccs is an umbrella term used in this book and is the common expression for this new way of being church in eastern africa different terms are used in english on the continent of africa bcc means basic christian community and bec means base basic ecclesial community and is sometimes written ecclesial base basic community even some writers in french prefer the term scc because it indicates the scale of the communities a variety of names are used in the usa i have visited parishes and institutions in the usa where the specific name small christian communities is not known or used that is it has very little name recognition yet people would immediately recognize small groups or small prayer groups or small church communities or small faith communities or small bible study groups the challenge is to create successful branding for example jumuiya the short form of small christian communities in swahili is immediately known in east africa

the editor of this collection is a member of the eths class of 1939

contemporary society is in crisis its structures broken and fragmented and its people overstimulated overstressed and thirsty for true communion with the sacred and with one another yet although more than eighty five percent of congregations in the united states conduct small group ministry too many of these groups begin with no clear sense of purpose structure or spiritual

focus and end by veering away from christian tradition and unknowingly settling for shallow versions of popular christianity in the church and the crisis of community theresa latini lays out both a theoretical groundwork and a practical guideline for successful small group ministry examining the latest sociological research and the real life practices of small groups in six congregations she shows how well developed groups those with mission statements leadership training and solid organizational structure can be a truly effective tool in the church s work of transforming broken and shallow forms of community into life giving life sustaining relationships with god and others

this work explores the results of a wide scale sociological and theological study of the appeal of small christian communities and their meaning for the future of the church

includes the annual reports of the american congregational union and of the society under its later name the congregational church building society

inspiring insightful and most importantly useful dick meyer is the best small group facilitator i know in the country dennis denning pastor northminister presbyterian church cincinnati ohio
