entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for students researchers and anyone wanting to know more about the democratic republic of the congo

of all the states of the middle east and north africa libya has long been the country about which the least is known it is only in recent times that scholars and the general public alike have begun to appreciate the complexity of libya s turbulent history including the recent february 17th revolution in 2011 when protests broke out throughout libya demanding better living conditions and more job opportunities when the qaddafi regime responded with force killing scores of unarmed civilians the protesters called for regime change in what came to be known as the february 17th revolution the qaddafi regime was overthrown and qaddafi was killed in october 2011 in july 2012 the libyan people elected a general national congress charged with overseeing the drafting of a new constitution and the election of a national government this fifth edition of historical dictionary of libya covers its history through a chronology an introductory essay appendixes and an extensive bibliography the dictionary section has over 400 cross referenced entries on important personalities politics economy society conflicts and the culture of libya this book is an excellent access point for students researchers and anyone wanting to know more about libya

this new fourth edition of the historical dictionary of gabon brings up to date the political affairs of the country since the accession to power of ali bongo eldest son of omar bongo the former president for life who died in 2009 after the publication of the third edition themes of continuity and change are present throughout the entries not only as the bongo family continues its half century of dynastic rule there are a dozen bongos in this new edition but as the rare primeval tropical rainforests continue to dominate the landscape yet are menaced by destructive logging and palm oil plantations and as this former french colony after independence continues to collaborate with the french african sphere of influence yet seeks new partners from america and asia china singapore and as the country s numerous ethnic groups perpetuate a multicultural mosaic that is nevertheless threatened by globalization of communications and cultural convergence this fourth edition of historical dictionary of gabon contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent resource for students researchers and anyone wanting to know more about gabon

ghana the former british colony of the gold coast is historically known for being the first country to the south of the sahara to attain political independence from colonial rule it is known for its exports of cocoa and a variety of minerals especially gold and it is now an oil exporting country but ghana s importance to the african continent is not only seen in its natural resources or its potential to expand its agricultural output rather the nation s political history of nationalism the history of military engagement in politics record of economic depression and the ability to rise from the ashes of political and economic decay is the most unique character of the country this fourth edition of historical dictionary of ghana covers its history through a chronology an introductory essay appendixes and an extensive bibliography the dictionary section has over

900 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for students researchers and anyone wanting to know more about ghana

algeria s strategic regional and global importance continues to grow its hydrocarbon wealth namely natural gas and oil is impressive and its receipts are crucial to the national economy the european union is a particularly valued hydrocarbon importer and overall commercial partner the bilateral relationship with france remains problematic and paradoxical algeria has demanded an apology for the imposition of colonialism but it also recognizes the importance of france economically politically and militarily e g the unrest in the sahel notably mali furthermore algeria continues to recover from its recent tragic civil strife characterized by terrorism and extremism its uncertain future given its ageing leadership rentier economy and frustrated youth is a critical concern this fourth edition of historical dictionary of algeria covers its history through a chronology an introductory essay appendixes and an extensive bibliography the dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for students researchers and anyone wanting to know more about algeria

benin is now perceived of as a model of democracy in africa because it has successfully established a democratic political system based on consensus and regular and fair elections and it continues to improve its electoral and parliamentary systems since its democracy it has taken important steps towards laying the foundation for the rule of law by establishing stable political institutions that can withstand the test of time it has also engaged in an important legal institutional and regulatory reform to establish a more favorable environment for private initiative the fourth edition of historical dictionary of benin covers its history through a chronology an introductory essay and an extensive bibliography the dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for students researchers and anyone wanting to know more about benin

blessed with natural beauty and rich vegetation rwanda is often called the land of a thousand hills le pays des mille collines a reference to its many lush and green rolling hills moreover for many rwandans at least in the past rwanda in spite of its small size is vast in fact it means the universe this idyllic view however sharply contrasts with the sad history of ethnic strife that unfolded since the 1950s the 1959 hutu revolution followed by years of anti tutsi pogroms undemocratic regimes the civil war of 1990 1994 and more significantly the april july 1994 genocide against the tutsi and the killing of hutu who opposed the killings the 1994 genocide against the tutsi remains the most defining single event in contemporary rwanda and many people in the world today know of this central african nation from the prism of extreme mass violence that sullied the end of the 20th century amid international indifference and has since haunted the world s conscience this second edition of historical dictionary of rwanda contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for

students researchers and anyone wanting to know more about rwanda

having achieved its independence from france in 1960 chad has run into a serious crises of national building which have continued to haunt it to the present day making it one of the poorest and most politically unstable countries on the globe chad is a country with sharp geographic and climatic contrasts that puzzle and fascinate the visitor displaying first a monotonous but majestic portion of the saharan desert in the north punctuated by plains and high altitudes displayed by the tibesti mountains where the highest point emi koussi reaches 11 204 ft the middle central sahelian zone where pastoral transhumance lifestyle predominates but where and nut cultivation and harvesting is possible and an endowed southern tropical zone where the forest and the savanna meet blessed by several long running rivers most notably the logone and the chari that empty their waters into centuries old lake chad even though things in chad seem to have improved during the past 10 years most observers agree that the path to peace reconstruction and economic progress is still long and arduous this fourth edition of historical dictionary of chad contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 1300 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent resource for students researchers and anyone wanting to know more about chad

burkina faso known as upper volta until its independence from france in 1960 and locally called the land of the upright people is a medium sized land locked country with no less than six neighbors some of which periodically get into trouble which makes it reasonably strategic in some ways while it has not done as poorly as some other african states its economic has certainly not prospered and many burkinabe go abroad to earn a living as for politics it is another case of stability without democracy even if there are periodic elections still this is better than not even having stability this third edition of historical dictionary of burkina faso covers its history through a chronology an introductory essay maps appendixes and an extensive bibliography the dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for students researchers and anyone wanting to know more about burkina faso

côte d ivoire remains one of the most intriguing countries in sub saharan africa it appeared well on its way to becoming a model of development under its single political party and charismatic founding father félix houphouët boigny when it fell on hard economic times in the 1980s poor management of the socio economic challenges by houphouët boigny s successors produced disastrous political consequences including unprecedented political violence the first ever successful military coup and two civil wars culminating in former president laurent gbagbo being sent to the international criminal court icc in the hague to stand trial for war crimes this third edition of historical dictionary of cote d ivoire the ivory coast contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for students

researchers and anyone wanting to know more about the cote d ivoire
