praise for the print edition no other reference work on american fiction brings together such an array of authors and texts as this

even among scholars of jewish literature jewish american women writers have been largely neglected nevertheless these women have made an enormous contribution to literature and culture this reference explores the extraordinary achievement of jewish american women novelists poets and playwrights who have written in english every effort was made to provide a representative selection of writers and the final list was determined after consultation with specialists and scholars the volume is composed mainly of entries arranged alphabetically by writer many of these women have an indisputable place in the literary canon while others are relative newcomers to the field still others are being rediscovered after years of neglect the profiles provide a biography bibliography

and survey of criticism for each author each also provides an analysis of the writer's work by a scholar in Jewish American literature, women's studies or a related field. An introductory essay defines the scope of Jewish American women's literature while a special chapter is devoted to writers of autobiographies who document the experience of Jewish women in America.

The Pulitzer Prize winning masterpiece by the acclaimed author of *Giant* follows the life of a farming woman on the Illinois prairie. The literary review in the *Small Dutch Community of New Holland, Illinois*. Selina DeJong dedicates herself to her passion for learning by becoming a schoolteacher but as life progresses she finds other loves: first her husband Pervus, a Dutch farmer, and then her son Dirk, whom she nicknames So Big in reference to the common refrain "How big is baby, so big." Throughout her life Selina never loses her fondness for learning and art even as tragedy, loss, the realities of hard work and the necessity of money threaten to eclipse all else. But as her son grows up to pursue his fortune in Chicago, can she help him retain those same values? *So Big* is the story of both a woman and her son and a country in the midst of profound cultural transition. The winner of the 1925 Pulitzer Prize, it is widely considered author Edna Ferber's masterpiece. It has the completeness, the finality that grips and exalts and convinces the literary reviewer.

Latinas in the United States: A Historical Encyclopedia records the contribution of women of Latin American birth or heritage to the economic and cultural development of the United States. The encyclopedia, edited by Vicki I. Ruiz and Virginia Sánchez Korrol, is the first comprehensive gathering of scholarship on Latinas. This encyclopedia will serve as an essential reference for decades to come. In more than 580 entries, the historical and cultural narratives of Latinas come to life from mestizo settlement, pioneer life and diasporic communities. The encyclopedia details the contributions of women as settlers, *comadres*, and landowners; as organizers and nuns. More than 200 scholars explore the experiences of Latinas during and after Euroamerican colonization and conquest, the early 19th century migration of Puerto Ricans and Cubans, 20th century issues of migration, cultural tradition, labor, gender roles, community organization and politics, and much more. Individual biographical entries profile women who have left their mark on the historical and cultural landscape. With more than 300 photographs, *Latinas in the United States* offers a mosaic of historical experiences detailing how Latinas have shaped their own lives, cultures and communities through mutual assistance and collective action while confronting the pressures of colonialism, racism, discrimination, sexism and poverty. Meant for scholars and general readers, this is a great resource on Latinas and historical topics connected with them. curledup.com

An excellent study that should interest film buffs, academics and non academics alike. *Journal of the West*. Hollywood's West examines
