histoire d'une jeunesse restitue le temps perdu des souvenirs d'enfance entre 1905 et 1921 le récit de cette éducation traverse l'Europe centrale du début du siècle insouciant et joyeux avec ses hôtels luxueux ses collèges cosmopolites ses milieux de riches

commerçants avant que l'occident ne s'éteigne soudain dans les déflagrations de la guerre de 14 avec tendresse gravité et humour canetti fidèle à la mémoire des premières images de sa vie évoque les années lointaines passées au bord du Danube lorsqu'il entendait la plainte des loups affamés c'était un temps sans peur un temps heureux celui de l'innocence

this bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history it lists books of a general nature as well as works in the disciplines of history and the humanities these large divisions are then broken down by subject genre type of document and province or territory titles of national provincial territorial or regional interest are included in every subject area when available the contents of the book are indexed four ways by name title French subject and English subject and to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages entries for unilingual works include citation in the language of the publication and a bilingual annotation the annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian reference sources will be an invaluable reference tool for future scholars and researchers

the fourth volume of the collected papers of the ICILA congress the many languages of comparative literature includes articles that study thematic and formal elements of literary texts although the question of prioritizing either the level of content or that of form has often provoked controversies most contributions here treat them as internally connected while theoretical considerations inform many of the readings the main interest of most articles can be described as rhetorical in the widest sense given that the ancient discipline of rhetoric did not only include the study of rhetorical figures and tropes such as metaphor irony or satire but also that of *topoi* which were originally viewed as the places where certain arguments could be found but later came to represent the arguments or intellectual themes themselves another feature shared by most of the articles is the tendency of undeclared thematology which not only reflects the persistence of the charge of positivism but also shows that most scholars prefer to locate themselves within more specific often interdisciplinary fields of literary study in this sense this volume does not only prove the ongoing relevance of traditional fields such as rhetoric and thematology but provides contributions to currently flourishing research areas among them literary multilingualism literature and emotions and ecocriticism

en s'intéressant à l'évolution psychologique de l'individu tout au long de la vie perspective life span la psychologie du

développement se propose d'étudier les processus qui permettent cette évolution en y décrivant non seulement les étapes mais également en identifiant les facteurs et les mécanismes qui les influencent et les agencent. Ce fruit à la fois d'acquisitions de connaissances de progrès techniques et d'influences socio-éducatives et culturelles, fortes la psychologie du développement a su se nourrir des différentes évolutions de la psychologie, des sciences médicales et des approches physiologiques, mais aussi des avancées scientifiques en matière d'imagerie médicale afin d'ancrer la discipline dans la démonstration de faits objectivables. Ce traité a ainsi pour ambition de rendre compte de la diversité de ces approches, méthodes, résultats et applications en psychologie du développement selon une progressivité réfléchie et s'organise ainsi en six parties : les modèles du développement, les domaines du développement (l'éducation, la psychopathologie et les troubles du développement), les transitions et enjeux sociétaux, les méthodes en psychologie du développement destinées aux étudiants en psychologie, car traitant de l'ensemble de leur cursus de manière progressive (L1 à M2), cet ouvrage est également une référence pour les praticiens grâce à son contenu actualisé et exhaustif en psychologie du développement.

Les actes de racisme et d'intolérance à l'encontre des minorités continuent de progresser en Europe, rendant plus que jamais nécessaire un travail de fond interculturel dès les petites classes. L'utilité de ce kit pédagogique tient à la variété et à la créativité des méthodes auxquelles il fait appel : les jeux de rôle, les exercices de simulation, les études de cas et le travail en groupe qu'il propose pourront être une source d'inspiration pour les formateurs, enseignants et travailleurs sociaux.
