shifting power balances in the world are shaking the foundations of the liberal international order and revealing new fault lines at the intersection of human rights and international security will these new global trends help or hinder the world s long struggle for human rights and democracy the answer depends on the role of five rising democracies india brazil south africa turkey and indonesia as both examples and supporters of liberal ideas and practices ted piccone analyzes the transitions of these five democracies as their stars rise on the international stage while they offer important and mainly positive examples of the compatibility of political liberties economic growth and human development their foreign policies swing between interest based strategic autonomy and a principled concern for democratic progress and human rights in a multipolar world the fate of the liberal international order depends on how they reconcile these tendencies

more than ten years after the adoption of the un guiding principles on business and human rights this book critically reviews the achievements limits and next frontiers of business and human rights following the protect respect remedy trichotomy the un guiding principles acted as a catalyst for hitherto unprecedented regulatory and judicial developments the monograph by macchi proposes a functionalist reading of the state s duty to regulate the transnational activities of corporations in order to protect human rights and adopts a holistic approach to the corporate responsibility to respect arguing that environmental and climate due diligence are inherent

dimensions of human rights due diligence in the volume emerging legislations are assessed on mandatory human rights and environmental due diligence as well as the potential and limitations of a binding international treaty on business and human rights the book also reviews groundbreaking litigation against transnational corporations such as *lungowe v vedanta* or *milieudefensie v shell* for their human rights and climate change impacts the book is primarily targeted at academic and non academic legal experts as well as at researchers and students looking at business and human rights issues through the lenses of legal studies particularly international law and european law political sciences business ethics and management additionally it should also find a readership among practitioners working in the public or private sector consultants csr officers legal officers etc willing to familiarize themselves with the expanding areas of liability financial and reputational risks connected to the social and environmental impacts of global supply chains chiara macchi is currently lecturer in law at wageningen university research in the netherlands

this book is part of a two volumes exploration comprising 18 chapters organized into four distinct thematic sections this volume delves into the geopolitical dynamics and power relations in east and southeast asia and the global north it examines the interactions of regional and extra regional powers from both military and soft power perspectives it highlights china's influence in the indo pacific region russia's involvement in myanmar's political economy and taiwan's situation it also examines the dynamics of india taiwan relations and north korea's foreign policy this book presents interconnected discussions on various themes offering valuable insights for readers it provides useful insights into the role of the global north from multiple perspectives this will benefit students scholars and academicians from diverse disciplines such as international relations foreign policy defence and strategic studies political science peace and conflict studies and journalism the other volume provides an in depth analysis of the intricate power struggles within this asian region with a particular focus on india and delves into the power dynamics of central asia and west asia offering a comprehensive examination of the geopolitical and power related issues that shape these regions

this handbook maps the expanding field of gender and eu politics giving an overview of the fundamentals and new directions of the sub discipline and serving as a reference book for gender scholars and students at different levels interested in the eu in investigating the gendered nature of european integration and gender relations in the eu as a political system it summarizes and assesses the research on gender and the eu to this point in time identifies existing research gaps in gender and eu studies and addresses directions
