this chilling novel from the bestselling award-winning author of *The Lake of Dead Languages* blends the gothic allure of Daphne du Maurier's *Rebecca* and the crazed undertones of Charlotte Perkins Gilman's *The Yellow Wallpaper* with the twisty contemporary edge of *A.S.A. Harrison's The Silent Wife*. A harrowing tale of psychological suspense set in New York's Hudson Valley when Jess and Clare Martin move from Williamsburg Brooklyn to their former college town in the Hudson River Valley, they are hoping for rejuvenation of their marriage, their savings, and Jess's writing career. They take a caretaker's job at Riven House, a crumbling estate and the home of their old college writing professor. While Clare once had dreams of being a writer, those plans fell by the wayside when Jess made a big splashy literary debut in their twenties. It's been years now since his first novel. The advance has long been spent. Clare's hope is that the pastoral beauty and nostalgia of the Hudson Valley will offer some inspiration, but their new life isn't all quaint town libraries and fragrant apple orchards. There is a haunting pall that hangs over Riven House like a funeral veil. Something is just not right. Soon Clare begins to hear babies crying at night, see strange figures in fog at the edge of their property, diving into the history of the area, she realizes that Riven House has a dark and anguished past, and whatever this thing is, this menacing force that destroys the inhabitants of the estate, it seems to be after Clare next.

mind her own business, leave it to the experts. Not a chance, especially when asked to spy on her friend's strangely behaving husband Eugene at one of San Francisco's hottest nightclubs. When Sophie shows up in a short red cocktail dress and the potentially two-timing hubby shows up dead, the would-be sleuth launches a full investigation. Without warning, Sophie plunges into a world of political mudslinging and campaign cover-ups. She uncovers some pretty dirty secrets, including a certain conservative congressional hopeful's involvement in the furry community, a group with a fetish for mascot-sized animal costumes. Sex and politics wouldn't you know? Sophie knows she needs help and turns to P.I. and ex-boyfriend Anatoly Darinsky. Together they set out to discover who killed Eugene and why their professional relationship may be repaired, but what will this very unusual case do for their personal one?

One of Canada's top comedians shares the funniest stories from his life and career in this collection of hilarious essays. For more than two decades, Gerry Dee has made audiences laugh, first as a hard-working stand-up comedian and then as the star of his

own cbc television program mr d dee became a physical education teacher thinking he would have it made coaching summers off and a good pension but he found himself dreaming of a career in comedy until one day years later he turned in his teaching certificate and picked up a microphone he went on to become one of canada s top comics in his new book of essays dee writes about his life being a kid in suburban toronto becoming a father starring in his own tv show going on the road to comedy clubs across canada and the us he takes us behind the scenes of last comic standing mr d and everywhere in between there was the time he set up his own dvd signing appearances only to have no one show up or the time he was flown to the bahamas where he performed for drunken fishermen and their nieces and he shares his lifelong affliction with hypochondria and all the medical conditions he doesn t have this is gerry dee at his comedic finest
