to do what no other magazine does deliver simple delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all because while vegetarians are a great, vital, passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans that's goal to embrace both

masala's exhilarating secrets hide in every Indian family's spice tin cook and spice mistress Sarina Kamini's recipes will bring them to life in your kitchen. Gripping and beautiful, a masterpiece. Tony Tan author Tony Tan's Asian Cooking Class, one of the best books on spice that I have read, it will change the way you cook. Bhavna Kalra Shivalkar, the modern desi, so we know every Indian family holds delicious secrets in its dabbas but what if they held even more than we knew? Masala is the TARDIS that opens the door to a food multiverse and Kashmiri Australian cook and author Sarina Kamini is inviting you inside for ten years. Sarina taught her Kashmiri Hindu family's kitchen secrets to people of all ages and cooking talents via her masala masterclasses. She was the spice mistress to whom spices sang but the more she taught, the more she realised that masala spoke to everyone once they understood its language. What we call masala is that code breaker: learn what white pepper does to pavlova, how to use spices and fats to speak to nervousness or anxiety. Why domestic Ayurveda says good digestion is ensured not just by what we eat but by how we think. Equal parts storyteller and recipe writer, Sarina deftly ties together Hindu mythology, intimate family moments and practical and permissive traditional health tips with the types of recipes you never thought you could pull off at home. Real deal Kashmiri Hindu Rogan Josh made from scratch paneer, the simple yellow dal that's broken one thousand hearts and a smoky tangy butter chicken that'll send your local takeaway to the wall through more than 70 spices and fats and 80 plus recipes. What we call masala shows readers that masala is so much more than spice: it offers lessons in both culinary mechanics and magic to any level of cook, from can't boil water to cordon bleu. Evocative words and full colour photography that literally places you on Indian streets and inside Sarina's Bengaluru family kitchen makes this captivating hardback both a coffee table must have and a beautiful gift for the food lover in your life.

The author of the Kitchen Survival Guide shows you how to get the best meals out of your slow cooker with tasty recipes. Lora Brody knows her appliances; she inspired a whole new generation of bread bakers with her bestselling bread machine books. In Slow Cooker Cooking, she pushes the appliance to places no one ever expected it to go, inventing fruit bases for soufflés and ice creams, reducing milk and sugar to make dulce de leche and infusing oils with herbs in addition to creating innovative takes on one-pot meals such as classic New England Boiled Dinner, venison stew with mushrooms and osso buco with gremolata. Here you will find recipes for ingredients that are the basis for other dishes such as duxelles, braised chestnuts and vegetable and chicken stocks. Vegetarians will enjoy recipes such as ragoût of leeks, fennel and celery and virtuous lentil soup, and dessert lovers will rejoice when they see recipes for hazelnut chocolate fondue and coconut rice pudding. Creative cooking in the slow cooker doesn't mean giving up any of the convenience associated with this popular appliance: you still add the ingredients to the pot and go about your day or evening, letting the slow cooker do all the work. Thanks to the pot's sealed insert and consistently even heat, food cooks under ideal conditions to make it tender and bring out maximum flavor. Come home to a kitchen perfumed with an aroma that promises good things to eat and find a perfectly cooked dish to enjoy.

55% off for bookstores offering exclusive retail price of \$44.99 instead of \$52.99. This cookbook will make the rice cooker in your home your new best friend in the kitchen.
