the first collection of alice walker s non fiction spanning fifteen years in the career of this remarkable writer this collection of essays is a celebration of the legacy of creativity especially the rich vein of women s stories and spirituality through the ages and how they nourish the present alice walker traces the umbilical thread linking writers through history from her discovery of zora neale hurston and her collections of black folklore to the work of jean toomer buchi emecheta and flannery o connor she also looks back at the highs and lows of the civil rights movement her early political development and the place of women s traditions in art coining the expression womanist prose these are essays that value women s culture and strength and the handing on of the creative spark from one generation to another

this book represents a major contribution toward the development of a global feminist theology the personal histories and experiences of women of african asian anglo american and latin american heritage recounted here make it possible to analyze the social and historical contexts of their christian faith their insights into the lives of those who have been oppressed or excluded in the third world or in the united states clear the way for understanding the partnership of men and women everywhere

i love playing in my mother s garden a little girl revels in her mother s garden a playground beyond compare emila yusof s book my mother s garden is a treasure of flowers bees dragonflies and butterflies learn the names of some tropical flowers and plants at the back of the book where they are listed in their english common names an ideal book for reading aloud and for playing i spy in the outdoors as the child learns to recognise plants featured in the book

before the great land rush of 1889 oklahoma territory was an island of wildness home to one of the last tracts of biologically diverse prairie in the space of a quarter century the territory had given over to fenced farmsteads with even the racial diversity of

its recent past simplified in this book bonnie lynn sherow describes how a thriving ecology was reduced by market agriculture examining three central oklahoma counties with distinct populations kiowas white settlers and black settlers she analyzes the effects of racism economics and politics on prairie landscapes while addressing the broader issues of settlement and agriculture on the environment drawing on a host of sources oral histories letters and journals and agricultural and census records lynn sherow examines oklahoma history from the land rush to statehood to show how each community viewed its land as a resource what its members planted how they cooperated and whether they succeeded anglo settlers claimed the choice parcels introduced mechanized farming and planted corn and wheat blacks tended to grow cotton on lands unsuited for its cultivation and kiowas strove to become pastoralists lynn sherow shows that as each group vied for control over its environment its members imposed their own cultural views on the uses of nature and on the legitimacy of the other in their own relationship with the red earth lynn sherow further reveals that racism both institutionalized and personal was a significant factor in determining how where by whom and to what ends land was used in oklahoma she particularly assesses the impact of usda policy on land use and by extension environmental and social change as agricultural agents railroads and local banks encouraged white settlers to plant row crops and convert to market farms they also discriminated against indians and blacks and as white settlers prospered they in turn altered the relationship of indians and african americans with the land the transformation of oklahoma territory was a protracted power struggle with one people s relationship to the land rising to prominence while banishing the others from history red earth provides a perceptive look at how oklahoma quickly became homogenized mirroring events throughout the west to show how culture itself can be a major agent of ecological change

this volume is an anthology of nonfiction writing by women the text is divided into two sections the first section contains from

three to four pieces by fifteen major women writers the second section presents thirty four classic essays from the feminist tradition
