now also available in the complete collection legion the many lives of stephen leeds from 1 new york times bestselling author brandon sanderson stephen leeds is back in a new double length novella that library journal says has the pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis it's not his own genius that stephen leeds gets hired for clients want to tap into the imaginary experts that populate his mind and it's getting a bit crowded in there now stephen and his internal team of aspects have been hired to track down a stolen corpse but

it's not the corpse that's important it's what the corpse knows the biotechnology company he worked for believes he encoded top secret information in his dna before he died and if it falls into the wrong hands that will mean disaster meanwhile stephen's uneasy peace with his own hallucinations is beginning to fray at the edges as he strives to understand how one of them could possibly have used stephen's hand to shoot a real gun during the previous case and some of those hallucinations think they know better than stephen just how many aspects his mind should make room for how long will he be able to hold himself together

a 2016 hugo award nominee for best novella from the author of legion and the 1 new york times bestselling stormlight archive comes an action filled novella about privilege culture clash and expectations god emperor kairominas is lord of all he surveys he has defeated all foes has united the entire world beneath his rule and has mastered the arcane arts he spends his time sparring with his nemesis who keeps trying to invade kai's world except for today today kai has to go on a date forces have conspired to require him to meet with his equal a woman from another world who has achieved just as much as he has what happens when the most important man in the world is forced to have dinner with the most important woman in the world

now also available in the complete collection legion the many lives of stephen leeds a novella from 1 new york times bestselling author brandon sanderson legion is a fast paced witty and supremely fun thriller with a psychological bent stephen leeds is perfectly sane it's his hallucinations who are mad a genius of unrivaled aptitude stephen can learn any new skill vocation or art in a matter of hours however to contain all of this his mind creates hallucinatory people stephen calls them aspects to hold and manifest the information wherever he goes he is joined by a team of imaginary experts to give advice interpretation and explanation he uses them to solve problems for a price his brain is getting a little crowded however and the aspects have a tendency of taking on lives of their own when a company hires him to recover stolen property a camera that can allegedly take pictures of the past stephen finds himself in an adventure crossing oceans and fighting terrorists what he discovers may upend the foundation of three major world religions and perhaps give him a vital clue into the true nature of his aspects a note from the publisher brandon will send a free copy of this ebook to anyone who purchased the

subterranean press hardcover see the title page in the ebook preview for details

long months have passed since siris and the god king enemies betrayed together were left to rot in the prison at the vault of tears their true enemy the worker of secrets creator of the infinity blade itself now reigns upon finally obtaining freedom siris must unravel plots that seem to make no sense lead a rebellion with no direction and fight against the division within his very heart the secrets unraveled will dig backward in time toward the origins of the deathless and the true nature of the world itself from 1 bestselling author brandon sanderson and chair entertainment creators of the blockbuster infinity blade video game series comes the second novel in the epic infinity blade saga this latest tale delves deeper into the fantastical world of infinity blade a world of mystery and intrigue where magic and technology are indistinguishable and even life and death are not as they seem
