we live in an era of constant change in where the interactions and transactions of multiplying number of actors take place in diversifying forms with a superhuman tempo and thus makes it difficult to navigate in the stormy agenda of international relations and law increasing interdependence and interconnectedness promote not only new channels of opportunities but also breed the grounds for escalating challenges and threats despite the fact that increasing vulnerabilities and complexities necessitate comprehensive and collaborative policies by the actors forces of uncertainty heavily dominate strategic thinking transformations take place in this environment of uncertainty and thus raises infinite number of questions in the minds of researchers regarding the future of global society in this study scholars analyze key topics of international relations and law with the aim of offering useful insights on the nature and the possible long term consequences of the issues it combines contributions on concepts and several controversial issues with a comprehensive approach to understand emerging dynamics in international relations and law

this book is one of the products of the 10th international conference of political economy icopec held at marmara university in istanbul turkey in june 2019 with the main theme if globalism is dead long live what icopec 2019 was co organised by marmara university and batman university in turkey panteion university and greek association of political economy in greece university of belgrade in serbia and vuzf university in bulgaria this volume contains eight selected papers that benefited from comments and discussion during the conference they analyse the relationship between globalisation and public policy

global crossroads rethinking dominant orders in our contested world is an edited collection of papers mostly presented at the 2019 den international student conference this publication is one of the many annual projects conducted under the umbrella of the democratic education network den which came to existence in 2016 at the then department of politics and international relations at the university of westminster today den has expanded across multiple departments within the university s school of social sciences aiming to inspire engagement with communities and involvement in student led projects den aspires to be a platform for empowering students offering them opportunities for personal intellectual and professional development and enhancing students engagement and experience this book is an articulation of the students research and analytical work on some of the most pressing global

issues of our times it is further a product of their hard work and skills developed through den in editing and compiling academic publications a testimony to den s ability to encourage and empower students to work together and achieve remarkable results

the main characteristic that distinguishes this book from its peers is that it contributes to the literature by combining multi faceted information and different topics from sub disciplines in the field of economic and administrative sciences to illustrate from one side the book provides useful information on the social political cultural and environmental studies on the other side it offers evaluation of the current macroeconomic issues for the world and turkey s economy thus students and all readers who are interested in these topics would be able to comprehend all the related areas more easily by making connections with current developments and taking advantage of the examples in the book in addition the book provides convenience to reades with its classification in 5 main chapters and with its fluent and simple narrative therefore this book is a study that can be used by all segments of society who are interested in socio economic developments and changes

does social science matter yes why does social science matter it provides humans with knowledge in form of research and theory that allows us to understand our surroundings and how the social realm works in addition to the theoretical and empirical understanding of the social realm social science allows us to anticipate and shape aspects of future social developments and outcomes e g demography and human security and social unrests or actions and potential reactions between and among individuals state actors and non state actors and their implication on the social realm thus social science matters due to its canon of knowledge which empowers humans with tools to not just understand the social realm but also mediate in social dynamics and suggest policy reforms humans keen on the social science develop practical skills distinctly valued in all forms of social dynamics for instance individuals can understand their social surroundings assess decisions they attempt to make and such which political leadership conducts on their behalf without our knowledge in social science our understanding of the social realm is less complete and our objectivity is less robust this book provides a platform for readers scholars and for practitioners to learn about present trends and debates in social sciences und conduct creative and fresh interdisciplinary research to discuss common encounters and brainstorm innovative solutions this book includes twelve chapters which are divided into four sections related to the disciplines of international relations politics history and law the chapters are written with different depth and quality they demonstrate the validity which the social science can stimulate our understanding and anticipation of our world

p p1 margin 0 0px 0 0px 0 0px 0 0px font 9 0px helvetica p p2 margin 0 0px 0 0px 0 0px 0 0px font 8 0px helvetica the end of the global features a collection of papers presented at the first den international student conference in 2017 this publication is one of many projects that the democratic education network den has been responsible for since its launch in 2016 within the department of politics and international relations at the university of westminster in addition to supporting various other initiatives den encourages and inspires students to research get involved in student led workshops and publish magazines and journals it hopes to increase our knowledge about how to open up deliberative and empowering spaces for students and how to maximise the impact of their projects on other students experience this book is a result of eclectic ideas and hard work put in by many students and covers the views of student authors on various economic political and social crises that shape our world today we hope that we have taken an important step in achieving the aims of den through encouraging students to believe in themselves and push the boundaries of imagination and possibility education should not only be about knowledge gathering skills enhancement and degree acquisition but be a transformative life experience if students go away with more confidence more humility and better equipped to deal with the various challenges and opportunities that the world around them offers we would have succeeded as educationists prof dibyesh anand head of the department of politics and international relations university of westminster this book is produced by some of the students active in the democratic education network it is essentially a collective work of the former and present students in the department to learn and explore their own world independently dr farhang morady academic coordinator of den university of westminster

in an interconnected and globalized world the voices of the local communities struggle to make themselves heard on the international stage but many issues that arise within international relations have consequences for ordinary lives and are therefore closely connected climate change warfare and migration are all examples of this they are often discussed in abstract terms with relation to international diplomacy but threaten the actual livelihoods of small communities and ordinary people this was the setting of the conference global crisis local voices held in may 2018 this journal is a compilation of the papers presented at that conference which was the second den international student conference the conference and this publication is one of the many projects that the democratic education network den is responsible for since its launch in 2016 this book is a collection of diverse works all written by student authors from a range of different universities from democracy and ideology to climate change and china it covers numerous concepts ideas and geographical regions that are often found in the studies of politics and international relations this book is the result of passion and hard work from all students involved in its production and

it is a project that we in den are incredibly proud of and hope to continue in the future i encourage you to read these publications to catalyse views in you that stimulate great debate that helps you become part of the compassionate progressive and responsible movement of young people that will help overcome injustices in the world and make the world a better place dr peter bonfield obe freng vice chancellor and president university of westminster

includes reports of the government departments

since its first edition in 1935 36 the yearbook of labour statistics has established itself as the world s foremost work of statistical reference on labour questions bringing together in systematic form a mass of data from a vast network of authoritative sources of information in some 190 countries data are published wherever possible according to the latest versions of the following international standard classifications international standard industrial classification of all economic activities isic revision 3 international standard classification of occupations isco 88 international classification of status in employment icse 93 and the international standard classification of education isced 1976 time series continues the time series format of the previous edition and contains 31 tables corresponding to nine major substantive chapters on economically active population employment unemployment hours of work wages labour cost consumer prices occupational injuries and strikes and lockouts the series usually cover the preceding ten years data with monthly quarterly or half yearly frequency relating to general series on employment unemployment hours of work wages and consumer price indices are published in the bulletin of labour statistics
