landed in the worst place imaginable a cell in a maximum security prison with a 35 year sentence for murder adapting to his new environs will require a steep learning curve but the world's greatest magician is nothing if not flexible in fact the question that his fellow inmates should be asking is not how this strange talking newcomer will endure being locked up with society's worst offenders but rather how they are going to survive the experience that's because Constantine has a few more stops to make on his stateside tour and unlike his cellmates his journey begins in the joint rather than ending there but when he arrives in the rural town of Doglick West Virginia to make personal amends for his crime what he finds going on behind its closed doors shocks the famously world weary sorcerer to his hardened cynical core acclaimed writer Brian Azzarello is joined by legendary artists Richard Corben Marcelo Frusin and Steve Dillon for a terrifying expedition into the darkest corners of the land of the free in John Constantine Hellblazer Vol 14 Good Intentions collecting issues 146-161 of the signature Vertigo series together with the nostalgic tale the first time from Vertigo Secret Files Hellblazer

the human race is a vast herd one that John Constantine separated himself from a long time ago the lonely path he's taken since then hasn't been an easy one but in the end it's probably been for the best given his notoriety as England's greatest street level sorcerer every tie that binds him to his fellow man is just another potential weapon for his infernal enemies to use against him self sufficiency however can all too easily shade into complacency a lesson that John forgets when a desperate stranger corners him in a bar and pleads for his help the simple spell he performs for his petitioner quickly ensnares the famed magician in a much larger web of ancient elemental magic and transfers his new acquaintance's crippling burden of universal empathy squarely onto his shoulders now Constantine must wage war against not only the powerful magus responsible for this hellish curse but also the unfiltered emotions of an entire city typical for John's luck that city is Glasgow Scotland a world center for alcoholism depression and barely concealed rage celebrated crime novelist Denise Mina teams with acclaimed artists Leonardo Manco and Cristiano Cucina to feel each other's pain in Hellblazer Vol 19 The Red Right Hand collecting Mina's complete run on the series from issues 216-228 as well as the never before reprinted story with a little help from my friends from issue 229 by Hellblazer Emeritus author Mike Carey and guest artist John Paul Leon

John Constantine is an unconcerned somewhat amoral occultist with a British working class background he's a hero of sorts who manages to come out on top

through a combination of luck trickery and genuine magical skill

john constantine celebrates his fortieth birthday alongside his friends and loved ones including swamp thing and zatanna and the love of his life kit however things never burn bright too long for john constantine and he soon finds himself at his lowest point ever drunk and homeless john must pull himself together if he is going to survive against the king of the vampires who comes looking for his blood collects hellblazer 62 71 hellblazer special 1 and vertigo jam 1
