a cultural history of the 1970s domestic interior in Britain and the United States exploring its relation to fashion textiles design and socio cultural influence

Darnell Johnson considers the Sanctuary as a prequel or a spin off to his first book The Purpose of Life which basically has the same purpose of life mentality but in a different way more like the Guardian Angel effect style while the purpose of life is

something michael had to go through to understand it anthony in the sanctuary does not know his purpose and chayo found out from god both their purpose but chayo could not tell him because the only way anthony and chayo could fulfill god's purpose for them was by chayo protecting them both from the evils and ills of one of california's worst prisons

these ladies have no idea the riches or passions that await

the parts you forgot to listen to is a guide to understanding the internal voices or parts that shape our behavior based on the principles of internal family systems if's therapy dedicated to the quiet one underneath the noise dr noah v introduces readers to their internal cast of characters including the manager who protects through control the firefighter who reacts to pain and the exile the wounded inner child the book provides a framework for meeting these parts with curiosity rather than judgment unburdening them of their extreme roles and stepping into self leadership to create internal harmony and healing
