this timely book examines what a meaningful school accountability system could look like in England the book starts with a deep dive into our current inspection model

discussing some of the current pressures within the system and comparing our inspection approach to that of other countries and sectors it moves on to show how ofsted and school inspections are perceived and portrayed using first hand accounts academic papers government publications and media reports and pulls together some of the current thinking on how the model could be improved the author ends with her own proposals for a more meaningful and humane school accountability system she suggests we rethink what we do and how we do it with a call for wide ranging consultation leading to evidence informed reform of the school inspection process

this text is about governing schools it lays out a strategic model of school governance and considers the three key roles of planning monitoring and evaluating practical examples and procedures are provided for governors to adapt

this practical comprehensive book for senior managers and inclusion coordinators covers all the essential aspects of how to manage inclusion more effectively it informs coordinators about effectively managing their own continuing professional development and that of other staff working within the inclusion team the book explores the role of inclusion assistants managing an inclusive resource center identifying barriers to learning for a diversity of pupils and applying the index for inclusion the business excellence model and the ofsted school self evaluation model to review and support inclusive school practice it also looks at the role of external professionals support services beacon special and specialist schools national initiatives and ict enabling schools to improve their inclusive provision

project report from the year 2014 in the subject pedagogy school system educational and school politics language english abstract this book reports on a research project which was carried out between 2002 and 2013 the focus of the research was the office for standards in education children s services and skills ofsted and its education and training and development programmes for inspectors claims and disputes the office for standards in education children s services and skills ofsted defines itself as the statutory watchdog for the preservation and management of the standard of education in england and by its own accounts ofsted has claimed firstly that it is the promoter and upholder high standard of educational achievements secondly that it is the bulwark against weak teaching and weak leadership management and governance and thirdly that it is the champion and protector of the interests of the constituents of education in england ofsted 2012 4 this research does not dispute the fact that the above claims came with the provisions of the education schools act 1992 and the education and inspection act 2006 and that the act delegated the statutory duties to inspect evaluate and judge and report on the standard of education in england to ofsted instead the research is disputing ofsted s claims as follows firstly the research disputes the extent to which ofsted has achieved the statutory duties delegated to it under the provisions of the 1992 and 2006 acts and secondly the research is questioning whether in

its current structure ofsted is fit for purpose and whether ofsted and a significant proportion of its inspectors have the operational and intellectual capabilities to continue to inspect specific educational remits and to evaluate and judge and report on the standard of education in england thus the research has advanced the following arguments against ofsted s and its inspectors capabilities and fitness for purpose the first argument is that there are incompetent inspectors within the ranks of ofsted inspectors the research has found that 30 of practicing ofsted inspectors do not have the skills and competencies required to successfully achieve ofsted s performance criteria for inspectors particularly in the collection analysis evaluation assessment and interpretation of evidence in the three principal aspects of ofsted s judgements the three aspects in question are outcomes for learners teaching learning and assessment and leadership and management the second argument is that there

regional schools commissioners rscs were introduced as a pragmatic response to the need to ensure appropriate oversight of a growing number of academies there is a clear need for an intermediate structure between whitehall and individual schools and rscs are beginning to provide this however the schools landscape and the role of the rscs is continuing to evolve and the rscs now form part of an increasingly complicated system of oversight accountability and inspection a more fundamental reassessment of accountability and oversight for all schools will be required in the future to provide coherence in the meantime the relationships that rscs build with other components of this system including local authorities ofsted teaching schools and parents and local communities are crucial to securing impact on school improvement an emphasis on working with and through these key partners will help ensure that rscs have the capacity to cope with planned expansion of their role however the role of rscs remains unclear to many and this must be addressed for effective relationships to be formed

it sounded a noble aim for new labour to prioritise education the method they chose since coming to power was a relentless attempt to raise standards by an obsession with tests and exams in every school almost at every level warwick mansell researches the subject in detail and reveals how intention and practice differ so widely

the book is helpful in a number of individual ways and makes a valuable contribution to the body of literature on education management in the late 1990s school leadership management the tension between the freedom to develop in an autonomous way and the need to be accountable is increasingly being commented upon and choices for self managing schools makes a useful new contribution to this debate times educational supplement this book provides in an accessible way the essential ideas and concepts underlying the management of autonomous schools it aims to present theoretical frameworks which are valuable for conceptualising management and managing

an introduction to assessment is broken down into several parts understanding assessment assessment as a policy tool assessment for learning and the way ahead it concludes with references and a glossary

this book compares teacher education across ten english speaking regions using a long standing comparative approach it includes twelve chapters an introductory chapter and one for each region written by experts it aims to structure understanding at the macro level and facilitate crossnational communication

the 2011 edition of oecd s periodic survey of the uk economy this edition includes chapters covering supporting the recovery and rebalancing the economy improving the functioning of the housing market reforming education in england and climate

this text combines pedagogical interest with a sound philosophical base at both undergraduate and postgraduate levels it will appeal to both the research specialists and undergraduates of ed studies and pgce espically with the emerging agenda of student as researcher at this level

focuses on the evaluation of school performance in seven countries england france germany new zealand spain sweden and the united states most of these though not all use a combination of official inspection and data on examination or test results to assess the performance of their schools show more show less

a practical guide to the principles and practices of headteacher appraisal this text recommends those aspects which are most successful in supporting professional development and in enhancing performance and effectiveness it is written by experts including head teachers and those who appraise them and is endorsed by the national association of head teachers headteacher appraisal helps assess the performance of head teachers direct their efforts and give them feedback and guidance through this process it affects the direction of the whole school and its staff
