this is a comprehensive account of the religious dimensions of the ufo flying saucer experience

originally published in 1992 channeling is a comprehensive bibliography on the subject of channeling the book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with ufos and contemporary channeling groups the book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers

its significance as a spiritual movement it provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time this volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult

the volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues the collection examines spirituality from a broad range of disciplines from the spirituality in the christian church spirituality in africa and afro american religions as well as examining the areas of channeling mediumship and spirit possession in this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the christian church and in the occult this collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology

audiences never have a lukewarm opinion of a subiela film they either love it passionately or hate it profoundly that eliseo subiela buenos aires 1944 2016 an original and sensitive thinker survived and indeed thrived in economically challenged argentina while garnering more accolades abroad than in his own country is a tribute to his grit intelligence imagination and persistence of vision with an astounding list of prizes and honors he was a world class auteur even when he was making a tv commercial his surreal style and poetic sensibility were unmistakable this book represents the culmination of 20 years of research and personal correspondence with eliseo subiela through ten scholarly studies and five interviews it sheds light on his life esthetics obsessions struggles with madness and of course his films it addresses his earlier career in advertising lifelong artistic influences screenwriting techniques critical reactions to his films and what subiela's example has to offer aspiring filmmakers especially those in latin america
