scouting in hong kong 1910 2010 covers the what how when who why and so what of the hong kong scout movement from 1910 to 2010 using a large volume of primary sources it deals with the development of the youth movement both as a subject of enquiry and as an analytical tool which may shed light upon the broader history of hong kong the author combines professed aim of scouting citizenship the key motives for supporting it governance war secular education and religious conversion and the most relevant differentiating identities race class gender and age to analyze the experience of young people involved in hong kong scouting throughout the years both colonial and post colonial the book is richly illustrated with interesting and instructive images and relied heavily on a doctoral dissertation by the author though they are also significantly different in both structure and content it is a critical study aimed at both general readers and readers with more specific interests and should enrich their understanding of the histories of scouting youth citizenship education the colonies the british empire decolonization china and hong kong by reconstructing the evolution of scouting from a niche movement for a handful of british boys before the first world war to a fully indigenized and co educational mass movement in the post colonial hong kong society it fills a gap in the historical studies of youth movements around the world by analyzing how the movement and the re construction of its particular brand of citizenship training reflected the development of the community it adds to our understanding of the political cultural and social history of hong kong often influenced by that of china by demonstrating the uniqueness of its evolution in the colonial context it provides useful comparative insights into the history of imperialism and colonial youth movements by exploring the choices made by local scouting since hong kong s retrocession of sovereignty to china it compliments other studies on decolonization and post colonial citizenship

in the aftermath of the second world war the british military held 46 trials in hong kong in which 123 defendants from japan and formosa taiwan were tried

for war crimes this book provides the first comprehensive legal analysis of these trials the subject matter of the trials spanned war crimes committed during the fall of hong kong its occupation and in the period after the capitulation following the nuclear bombings of hiroshima and nagasaki but before the formal surrender they included killings of hors de combat abuses in prisoner of war camps abuse and murder of civilians during the military occupation forced labour and offences on the high seas the events adjudicated included those from hong kong china japan the high seas and formosa taiwan taking place in the same historical period as the more famous nuremberg and tokyo trials the hong kong war crimes trials provide key insights into events of the time and the development of international criminal law and procedure in this period a team of experts in international criminal law examine these trials in detail placing them in their historical context investigating how the courts conducted their proceedings and adjudicated acts alleged to be war crimes and evaluating the extent to which the hong kong trials contributed to the development of contemporary issues such as joint criminal enterprise and superior orders there is also comparative analysis with contemporaneous proceedings such as the australian war crimes trials trials in china and those conducted by the british in singapore and germany placing them within the wider history of international justice this book is essential reading for anyone interested in the development of international criminal law and procedure

this edited volume is a compilation of the analyses written by east asian institute experts on hong kong since the handover it covers most if not all the important events that have taken place in hong kong since 1997 including its economic integration and relations with china its governance conundrums the hong kong identity and nation building the implementation of the minimum wage and the elections from 2011 to 2012 the book's panoramic view of hong kong makes it a useful resource for readers who seek a broad understanding of the city and how it has evolved after its return to china it also offers some glimpses into the direction hong kong is heading in its socio economic relations with china at both the state and society levels as well as its domestic political developments and the prospects for democratization

this book explores the dynamics of china's new united front work in hong kong mainland chinese penetrative politics can be seen in the activities of local pro beijing political parties clans and neighborhood associations labor unions women and media organizations district federations and some religious groups however united front work in the educational and youth sectors of civil society has encountered strong resistance because many hong kong people are post materialistic and uphold their core values of human rights the rule of law and transparency china's new united front work in hong kong has been influenced by its domestic turn toward hard authoritarianism making beijing see hong kong's democratic activists and radicals as political enemies hong kong's one country two systems is drifting toward one country two mixed systems with some degree of convergence yet taiwan and some foreign countries have seen china's

united front work as politically destabilizing and penetrative this book will be of use to scholars journalists and observers in other countries seeking to reckon with chinese influence

insiders and outsiders addresses various aspects of jewish and gentile interaction since the development of the german jewish literary and cultural identity in the early nineteenth century containing the work of prominent scholars critics and journalists involved with german jewish studies from around the world this ambitious anthology of literary and cultural criticism suggests a reevaluation of important cultural and literary issues including the problem of cultural diversity with regard to german speaking countries and the question as to what constitutes german cultural identity in multicultural central europe this volume highlights the centrality of the jewish presence in the heart of german and austrian culture as well as the important role german culture played in jewish society while most previously published studies emphasize either the grandeur of german jewish achievement or the tragedy of these two cultures in contact insiders and outsiders examines both the failures and the successes of this tense and troubling relationship it suggests that rather than being the product of a nurturing multicultural environment the achievements of german jewish intellectuals and poets grew out of friction unrest and discomfort

this book gives an account of hong kong s medical and health development from the second world war to the present day investigates how medical and health services grew and adapted as hong kong s political and the socio economic landscape and the world beyond it changed and continued changing the author is a clinician scientist rather than a social scientist her writing is therefore based on her first hand knowledge of the changes in the hong kong medical and healthcare scene during the period 1942 2015 and the book has also been enriched by her meticulous research via the archives of available government publications other literature and media reports this book is a sequel to a medical history of hong kong 1842 1941 k presents an unbiased and scientific analysis of events which prompted the authorities and the public to consider evaluate and ultimately implement policies that resulted in the gradual improvement of the healthcare system in hong kong rosie t t young the university of hong kong

ortmann lau and chan together with the contributors provide an innovative assessment of the impact of the national security law on hong kong politics the law was introduced by the chinese government in 2020 and has since fundamentally transformed the political landscape of the former british colony the book explores how hong kong s transformation in governance law education and civil society has amounted to one of the most significant episodes of autocratization in the world in recent years each chapter provides theoretical and methodological approaches to capture the different dimensions of the influence of the national security law on hong kong politics the trends discussed in the book are of global relevance to the discussion of the current

trends of increasing autocratization and this provides insights into the institutional transformations and the adaptive response from hong kongers also the extra territorial application of china s national security law has inevitably global implications which makes it important to investigate how the hong kong overseas diasporas are responding to these challenges the book is an indispensable resource for scholars and experts on hong kong politics china s policy toward hong kong international policymakers journalists students and those who are interested in the growing global trend of autocratization

yang examines the political process of the occupy movement spanning from january 2013 when the occupy central with love and peace oclp campaign was initiated to december 2014 when the occupy movement finally ended this book adopts an actor centered approach in the study of democratization and places civil society as the focus of the analysis the oclp campaign was an attempt to transfer leadership of democratization from political parties to civil society while the incorporation of deliberation days further let ordinary participants decide on the electoral proposals the democratic ideals of civil society activists and the mobilization of radical democrats led the campaign to enter a radical position the chinese government interpreted democratization in hong kong from a regime security perspective and took a hardliner position after the occupy movement finally occurred the leadership of civil society and the conception of civil disobedience contained the radical protesters however after the movement civil society organizations were blamed for its failure and contention in hong kong became more transgressive and decentralized this book is a valuable resource for scholars of hong kong s politics and a relevant case study for those studying the dynamics of social movements and the civil society strategy in democratic transition

this book describes the adaptation of american women to cross cultural situations in hong kong from 1921 to 1969 the maryknoll sisters were first american catholic community of women founded for overseas missionary work and were the first american sisters in hong kong maryknollers were independent outgoing and joyful women who were highly educated and acted in professional capacities as teachers social workers and medical personnel the assertion of this book is that the mission provided maryknollers what they had long desired equal employment opportunities which were only later emphasized in the women s liberation movement of the 1960s

using the imperial war museum s vast archive of personal diaries this remarkable anthology examines the stories of ordinary men and women who fought and in some cases died on the front line and home front during the second world war the words of war features diverse first hand accounts from individuals who took part in the key campaigns of the war in the words of the young officer facing defeat and capture at dunkirk the pilot officer losing friends and comrades during the battle of britain the land girl dealing with a new life in the countryside the royal naval seaman fighting the weather in the

russian convoys the infantryman about to hit the beaches on d day the bomb aimer aboard an avro lancaster as it heads towards another german target the soldier fighting in the far east against the japanese and many others this unique publication vividly documents the harsh realities of day to day life during the conflict with each diary entry placed in context within a historical narrative that weaves together the complete story for the reader the words of war provides a poignant and emotional insight into the human cost of war whilst shedding new light on this unforgettable period in history

this extensive survey of migration in the modern world begins in the sixteenth century with the establishment of european colonies overseas and covers the history of migration to the late twentieth century when global communications and transport systems stimulated immense and complex flows of labour migrants and skilled professionals in ninety five contributions leading scholars from twenty seven different countries consider a wide variety of issues including migration patterns the flights of refugees and illegal migration each entry is a substantive essay supported by up to date bibliographies tables plates maps and figures as the most wide ranging coverage of migration in a single volume the cambridge survey of world migration will be an indispensable reference tool for scholars and students in the field

this book differs from most others of its kind by looking at the hong kong issue from china s perspective which in turn mirrors china s own situation through a legal lens the author conducts a political and cultural examination of the past and the present and provides a comprehensive overview of the many theories and problems concerning hong kong including reflections on the theory of administrative absorption of politics a historical review of one country two systems and an analysis of the form and nature of the basic law it offers a valuable reference resource for studying the historical political and legal context of hong kong under the principle of one country two systems instead of over simplifying the issue of hong kong or only seeing it as a chinese regional issue the book regards it as a central chinese issue and the key to understanding china

after the us war in vietnam close to 800 000 vietnamese left the country by boat survived and sought refuge throughout southeast asia and the pacific this is the story of what happened in the camps in camps raises key questions that remain all too relevant today who is a refugee who determines this status and how does it change over time from guam to malaysia and the philippines to hong kong in camps is the first major work on vietnamese refugee policy to pay close attention to host territories and to explore vietnamese activism in the camps and the diaspora this book explains how vietnamese were transformed from de facto refugees to individual asylum seekers to repatriates ambitiously covering people on the ground local governments teachers and corrections officers as well as powerful players such as the un high commissioner for refugees and the us government jana lipman shows that the local politics of first

asylum sites often drove international refugee policy unsettling most accounts of southeast asian migration to the us in camps instead emphasizes the contingencies inherent in refugee policy and experiences

japan s lightning march across asia during world war ii was swift and brutal nation after nation fell to japanese soldiers how were the japanese able to justify their occupation of so many asian nations and how did they find supporters in countries they subdued and exploited race war delves into submerged and forgotten history to reveal how european racism and colonialism were deftly exploited by the japanese to create allies among formerly colonized people of color through interviews and original archival research on five continents gerald horne shows how race played a key and hitherto ignored role in each phase of the war during the conflict the japanese turned white racism on its head portraying the war as a defense against white domination in the pacific we learn about the reverse racial hierarchy practiced by the japanese internment camps in which whites were placed at the bottom of the totem pole under the supervision of chinese korean and indian guards an embarrassing example of racial payback that was downplayed by the defeated japanese and the humiliated europeans and euro americans focusing on the microcosmic example of hong kong but ranging from colonial india to new zealand and the shores of the u s gerald horne radically retells the story of the war from racist u s propaganda to black nationalist open support of imperial japan information about the effect of race on u s and british policy is revealed for the first time this revisionist account of the war draws connections between general tojo malaysian freedom fighters and elijah muhammed of the nation of islam and shows how white racism encouraged and enabled japanese imperialism in sum horne demonstrates that the retreat of white supremacy was not only driven by the impact of the cold war and the energized militancy of africans and african americans but by the impact of the pacific war as well as a chastened u s and u k moved vigorously after this conflict to remove the conditions that made japan s success possible
