unique in the literature on jewish camping this book provides an in depth study of a community based residential summer camp that serves jewish children from primarily rural areas focused on camp ben frankel cbf established in 1950 in southern illinois this book focuses on how a pluralist jewish camp constructs meaningful experiences of jewish family and judaism for campers and teaches them about israel inspired by models of the earliest camps established for jewish children in urban areas cbf s founders worked to create a camp that would appeal to the rural often isolated jewish families in its catchment area although seemingly on the periphery of american jewish life cbf staff and campers are revealed to be deeply entwined with national developments in jewish culture and practice and indeed contributors to shaping them this research highlights the importance of campers experiences of

traditional elements of the jewish family an experience increasingly limited to time at camp as well as the overarching importance of song over the years judaism becomes constructed as fun welcoming and easy for campers while israel is presented in ways that are meant to be appropriate for a community camp in the camp s earliest decades israel was framed by traditional zionist discourse later as community priorities shifted the cause of russian jews was the focus most recently as israeli politics have been increasingly viewed as potentially divisive the camp has adopted an israel lite approach focusing on israel as the biblical homeland of the jewish people and a place home to jews who are similar to american jews in sum this study sheds light on how a small rural community camp contributes in significant ways to our understanding of american jews their judaism and their zionism
