joshua d a bloor argues that the purification of the consciousness of sin via jesus perpetual heavenly blood offering is a vital motif for understanding hebrews sacrificial argumentation and vice versa jesus objective earthly achievements are many yet only his subjective heavenly blood offering purges the heavenly tabernacle and subsequently the consciousness of sin bloor views the levitical cult as having a positive role in hebrews with levitical guilt foreshadowing and informing hebrews notion of the consciousness of sin levitical sacrifices could purge the consciousness but only jesus heavenly blood can offer complete perpetual purgation this blood is a qualitative type of purgation which continually speaks in heaven offering eternal assurance for the recipients regarding their consciousness of sin bloor begins with the defiled consciousness and situates the world of hebrews within cultic defilement

enabling the consciousness of sin and its cosmic implications to be properly understood from here the solution to a defiled consciousness is explored by examining hebrews cultic argumentation bloor highlights the distinctive purposes inherent in both jesus earthly and heavenly achievements with the latter concerned particularly with yom kippur imagery and the purgation of the consciousness bloor concludes by differentiating between jesus session present heavenly activity and perpetual heavenly blood offering throughout this volume bloor engages critiques and advances current discourse concerning the nature and timing of jesus offering in hebrews

in this collection of essays experts in the field of consciousness research shed light on the intricate relationship between conscious and unconscious states of mind advancing the debate on consciousness research this book puts centre stage the topic of commonalities and differences between conscious and unconscious contents of the mind the collection of cutting edge chapters offers a breadth of research perspectives with some arguing that unconscious states have been unjustly overlooked and deserve recognition for their richness and wide scope others contend that significant differences between conscious and unconscious states persist highlighting the importance of their distinct characteristics explorations into the nature of the transition from unconscious to conscious mind further complicate the picture with some authors questioning whether a sharp divide between unconscious and conscious states truly exists delving into ontological epistemological and methodological issues this thought provoking text challenges established paradigms and paves the way for a reimagining of consciousness research it does so in an understandable and accessible way making this a perfect companion for both experts and students of philosophy psychology and related fields chapters 2 4 9 10 14 and 16 of this book are freely available as downloadable open access pdfs at taylorfrancis.com under a creative commons attribution non commercial no derivatives cc by nc nd 4 0 license
