in this engaging and eloquent history ruby lal traces the becoming of nineteenth century indian women through a critique of narratives of linear transition from girlhood to womanhood in the north indian patriarchal environment women s lives were dominated by the expectations of the male universal articulated most clearly in household chores and domestic duties the author argues that girls and women in the early nineteenth century experienced freedoms eroticism adventurousness and playfulness even within restrictive circumstances although women in the colonial world of the later nineteenth century remained agential figures their activities came to be constrained by more firmly entrenched domestic norms lal skillfully marks the subtle and complex alterations in the multifaceted female subject in a variety of nineteenth century discourses elaborated in four different sites forest school household and rooftops

presenting cutting edge scholarship dedicated to exploring the emergence and articulation of modernity in colonial south asia this book builds upon and extends recent insights into the constitutive and multiple projects of colonial modernity eschewing the fashionable binaries of resistance and collaboration the contributors seek to re conceptualize modernity as a local and transitive practice of cultural conjunction whether through a close reading of anglo indian poetry urdu rhyming dictionaries persian bible translations jain court records or bengali polemical literature the contributors interpret south asian modernity as emerging from localized partial and continuously negotiated efforts among a variety of south asian and european elites surveying a range of individuals regions and movements this book supports reflection on the ways traditional scholars and other colonial agents actively appropriated and re purposed elements of european knowledge colonial administration ruling ideology and material technologies the book conjures a trans colonial and trans national context in which ideas of history religion language science and nation are defined across disparate religious ethnic and linguistic boundaries providing new insights into the negotiation and re interpretation of western knowledge and modernity this book is of interest to students and scholars of south asian studies as well as of intellectual and colonial history comparative literature and religious studies

now in its twelfth edition diseases of poultry continues its tradition of excellence as the definitive reference of poultry disease following the same user friendly format the book has been thoroughly updated to reflect the most current
