in may 2006 jacob zuma was found not guilty of the rape of fezekile ntsukela kuzwayo better known as khwezi in the johannesburg high court another nail was driven into the coffin of south africa s fight against sexual violence vilified by zuma s many supporters khwezi was forced to flee south africa and make a life in the shadows first in europe and then back on the african continent a decade after zuma s acquittal khwezi died but not before she had slipped back into south africa and started work with journalist redi tlhabi on a book about her life about how as a young girl living in exile in anc camps she was raped by the uncles who were supposed to protect her about her great love for her father judson kuzwayo an anc activist who died when khwezi was almost ten and about how as a young adult she was driven once again into exile suffering not only at the hands of zuma s devotees but under the harsh eye of the media in sensitive and considered language red tlhabi breathes life into a woman for so long forced to live in hiding in telling the story of khwezi tlhabi draws attention to the sexual abuse that abounded during the struggle years abuse that continues to plague women and children in south africa today

over the past sixty years the regional human rights systems have surpassed the un human rights bodies in affording protection to the victims of human rights violations most of these systems have courts that are empowered to issue legally binding judgments and reparations for violations of human rights which states have been unwilling to accord the un system the essays selected for this volume examine the structure and functioning of the principal regional human rights systems in the world today 1 the inter american commission and court of human rights 2 the european court of human rights 3 the african commission and court of human and peoples rights and 4 the asean intergovernmental human rights commission these systems guarantee primarily civil and political rights central to all four systems is

the necessity of a democratic form of government to guarantee these rights although not all governments parties to these regional treaties are democracies these articles trace the history of these systems in particular the expansion of their membership to include almost all independent countries in the region and their evolution towards recognition of a right to democracy

the covid 19 pandemic has led to increased strain and mental health problems due to changing working conditions given the existential nature of the pandemic it remains crucial to establish employee effectiveness resilience and agility and to particularly understand the long term psychological impact the pandemic might have on workplaces it is essential to recognize how workplaces cope with work from home challenges and hybrid working beyond the crises building a narrative in our understanding of the psychological cognitive and physical experiences and responses of workplaces is critical it provides the opportunity to help craft the way forward for organizations and employees

marital rape stands at the intersection of the socio legal issues arising from both domestic violence and sexual assault for centuries women who suffered sexual assault perpetrated by their spouses had no legal recourse a man s conjugal rights included his right to have sexual intercourse with his wife regardless of whether she consented this right has been recognised in law and still is in some jurisdictions today this book emerges from the research undertaken by an innovative multi country academic collaborative project dedicated to comparatively analysing the legal treatment of sexual assault in intimate relationships with a view to challenging the legal impunity for and inadequate legal responses to this form of gendered violence

issues and controversies in policing today by johnny nhan is a thought provoking exploration of today s policing challenges it delves into contemporary topics ranging from police misconduct and racial profiling to lgbtq officers and policing technologies these topics are grounded in theory research and practice this second edition features two new chapters covering 1 the critical shortage of police officers and 2 the conflict and tensions between street cops and management cops since the first edition the author has undergone the police academy and became a reserve police officer this new and unique perspective going from academic to practitioner adds depth bringing firsthand experience to the discussion and throughout this text whether you are a student practitioner or curious reader the second edition of issues and controversies in policing today offers valuable insights into the evolving landscape of law enforcement

this book offers the first comprehensive study of defence offsets and its economic security political and theoretical implications originating in the second half of the 19th century defence offsets additional economic industrial and technological benefits to states for buying foreign weapons have since been a key feature of the global arms trade and defence industry and yet offsets are an under researched and under theorised phenomenon this book fills this gap in the literature by offering the first general theory of defence offsets as well as the first systematic analysis of the offset phenomenon by building on the insights of scholars of defence economics and drawing from the international relations liberal paradigm as well as reviving and adapting robert putnam s two level game framework the book proposes a liberal rationalist theory of defence offsets it then proves the worth of such a theory through qualitative comparative analysis qca of fifty four fighter aircraft transfers from 1992 to 2021 inclusive and three in depth case studies addressing offsets negotiated and agreed to as part of fighter aircraft competitions in brazil india

and south korea this book will be of interest to students of defence studies defence economics security studies and international relations

the sipri yearbook 2011 analyses developments in security and conflicts military spending non proliferation arms control and disarmament worldwide over the past year

the soldier and the changing state is the first book to systematically explore on a global scale civil military relations in democratizing and changing states looking at how armies supportive of democracy are built zoltan barany argues that the military is the most important institution that states maintain for without military elites who support democratic governance democracy cannot be consolidated barany also demonstrates that building democratic armies is the quintessential task of newly democratizing regimes but how do democratic armies come about what conditions encourage or impede democratic civil military relations and how can the state ensure the allegiance of its soldiers barany examines the experiences of developing countries and the armed forces in the context of major political change in six specific settings in the wake of war and civil war after military and communist regimes and following colonialism and unification apartheid he evaluates the army building and democratization experiences of twenty seven countries and explains which predemocratic settings are most conducive to creating a military that will support democracy highlighting important factors and suggesting which reforms can be expected to work and fail in different environments he offers practical policy recommendations to state builders and democratizers

since 1994 south africa has radically transformed its role in africa the one time apartheid pariah is now a continental leader that is both envied and resented its politicians and diplomats have worked on peace interventions and new pan african institutions while south african business has practically stampeded north of the limpopo in search of new markets in this rigorous policy relevant book a diverse group of pan african scholars examine south africa s post apartheid foreign policy arguing that an effective foreign policy requires a strong domestic base the book assesses key regional challenges for south africa leadership military and economic power and less conventional foreign policy concerns such as land conflict and hiv aids detailed case studies describe south africa s role in developing the au and nepad and its relations with strategic countries in west southern and north africa the great lakes region and the horn of africa this unique volume is the first in depth study of south africa s critical role in africa over the last thirteen years book jacket
