List of the Ohio Valley Historical Series. For Sale by Robert Clarke & Co Perry D. Westbrook Steven Conn Brian P. Janiskee Peter J. Parish Charles Francis Adams Connecticut River Watershed Council Edward Channing Justin Winsor John Andrew Doyle David Goldfield Johns Hopkins University Frank J. Goodnow John Andrew Doyle John A Grigg Justin Winsor USA. Bureau of Education Clarke, Robert and Co

the author examines the institution and mystique of the new england town as it has impinged upon and molded the american imagination for two hundred years through the works of such writers as thoreau dickinson cheever and updike

it is a paradox of american life that we are a highly urbanized nation filled with people deeply ambivalent about urban life an aversion to urban density and all that it contributes to urban life and a perception that the city was the place where big government first took root in america fostered what historian steven conn terms the anti urban impulse in response anti urbanists called for the decentralization of the city and rejected the role of government in american life in favor of a return to the pioneer virtues of independence and self sufficiency in this provocative and sweeping book conn explores the anti urban impulse across the 20th century examining how the ideas born of it have shaped both the places in which americans live and work and the anti government politics so strong today beginning in the booming industrial cities of the progressive era at the turn of the 20th century where debate surrounding these questions first arose conn examines the progression of anti urban movements he describes the decentralist movement of the 1930s the attempt to revive the american small town in the mid century the anti urban basis of urban renewal in the 1950s and 60s and the nixon administration s program of building new towns as a response to the urban crisis illustrating how by the middle of the 20th century anti urbanism was at the center of the politics of the new right concluding with an exploration of the new urbanist experiments at the turn of the 21st century conn demonstrates the full breadth of the anti urban impulse from its inception to the present day engagingly written thoroughly researched and forcefully argued americans against the city is important reading for anyone who cares not just about the history of our cities but about their future as well

local government in early america is a concise and thought provoking exploration of the american desire for political participation most notably in the town hall meeting a product of early new england democracy this form of

Our Little Secret The True Story Of A Teenager Killer And The Silence Of A Small New England Town

direct local participation remains one of the most celebrated yet feared institutions in our political life depending upon one's political perspective on the issue at hand a lively town hall meeting can be the glorious epitome of grassroots activism or the wretched embodiment of reactionary zeal for all of the media attention devoted to the conservative revolt against health care reform at town hall meetings across the country the political right is late to game on local activism from resolutions opposed to the patriot act or the declaration of nuclear free zones in cities the political left has used the rhetorical power of the local political pulpit to great effect for many years all of this is possible because of the manner in which local governments were constructed during the colonial period author brian janiskee details the origins of our local system by examining key characteristics of local colonial political life including what key founders like john adams and thomas jefferson had to say about the role of our villages towns and cities in our complex system of government through this timely analysis of our political heritage janiskee may cause observers to reevaluate the phrase all politics is local indeed it may be the case that all local politics is national

first published in 1998 routledge is an imprint of taylor francis an informa company

this is the all new edition of the connecticut river boating guide the standard resource for boaters canoeists and kayakers it includes thirty two gps compatible maps that together map the entire length of the river data for twenty eight river reaches include information on mileage navigability difficulty sources of flow information portages camping usgs maps and noaa charts special fishing regulations boating facilities and more the narrative text accompanying the maps is a mile by mile description of the river with detailed information on landmarks navigational hazards conservation wildlife and history the book is authored by and published in cooperation with the connecticut river watershed council the leading organization devoted to management of the river and its watershed

we are an urban nation and have been so officially at least since the early twentieth century but long before then our cities played crucial roles in the economic and political development of the nation as magnets for immigrants from here and abroad and as centers of culture and innovation they still do yet the discipline that we call urban history is really a phenomenon of post world war ii scholarship now after a generation of pathbreaking scholarship that has reoriented and enlightened our perception of the american city the two

Our Little Secret The True Story Of A Teenager Killer And The Silence Of A Small New England Town

volumes of the encyclopedia of american urban history offer both a summary and an interpretation of the field with contributions from leading academics in their fields this authoritative resource offers an interdisciplinary approach by covering topics from economics geography anthropology politics and sociology key features addresses the rise of urban america using a concise readable and historical format focuses on the 20th century a century with the most dramatic urban growth and a time when the united states transformed from being a nation of shopkeepers and farmers to an urban industrial and then post industrial society defines urban broadly including suburban environments and even something new and literally far out called penuria offers both a referential and a reverential approach to produce a work that functions as a research tool and as a commemoration of scholarship includes contributions from leading academics and scholars as well as from those who work for non profits governments and corporations the encyclopedia of american urban history is a fundamental reference work intended to ground and inspire future research in the field it is an essential resource for any academic library

the story of the eighteenth century preacher david brainerd has been told in dozens of popular biographies articles and short essays almost without exception these works are celebratory even hagiographic in nature making him into a kind of protestant saint a model for generations of missionaries this book will be the first scholarly biography of brainerd drawing on everything from town records and published sermons to hand written fragments to tell the story not only of brainerd s life but of his legend
