case studies in sport law second edition provides students and legal professionals with specific examples and perspectives of some of the most significant cases in sport law in an accessible tone that is free of legal jargon

case studies in sport law second edition provides students with specific examples and perspectives of some of the most significant cases in sport law in an accessible tone that is free of legal jargon the text is an ideal companion for non law students who are seeking clarity and context for legal issues commonly encountered in sport management and sport law settings the 87 cases provide real life applications for students and scholars of sport management this updated second edition of case studies in sport law contains one new case study to provide a more contemporary example while maintaining the most significant precedent cases the text is easily incorporated as a supplement to course studies especially for its recommended companion text introduction to sport law second edition these two texts were designed with the other in mind and the structures match each other in order of topics presented so that students can easily cross reference the two to obtain the best understanding of sport law the 87 cases in case studies in sport law have

been carefully curated by a team of experts in the field and represent many of the multifaceted aspects of sport law some of the areas covered in the text are school districts colleges and universities interscholastic and recreational programs professional sport franchises sporting goods manufacturers and trademarks and governing bodies this broad approach encourages students to understand the impact of legal issues on the sport industry including many of the areas that students are hoping to pursue as a career case studies in sport law offers condensed versions of each case as opposed to the full legal proceedings which enables students to grasp key concepts of the case instead of wading through legal jargon the cases are divided into the main topics that are most prevalent in sport law courses agency law antitrust law constitutional law contract law employment law intellectual property labor law products liability risk management statutory law title ix tort law and the u s legal system this is an easy to follow format that allows instructors and readers easy selection of cases based on the topic at hand in addition to the abridged court cases each section provides introductory information to prepare students on the type of law that will be examined and key concepts to bear in mind while reading further each case study ends with review questions that can test student comprehension be used for review and prompt in class discussions answers to these review questions are in the instructor guide which is free to course adopters and available at humankinetics.com/casestudiesinsportlaw litigation and lawsuits in sport are increasing therefore managers and operators must maintain a thorough understanding of legal practices case studies in sport law is the ideal text to supplement a sport management or sport law class and bolster student comprehension of sport law issues and it is a supreme reference in the professional library of all practitioners in college high school professional and recreational sport settings

economic analysis can shed light on the consequences of the law's murky operations by focusing on the incentives created by the law applying economic principles to legal problems brings a better understanding of the implications of legal rules

introduces students to the study of the common law legal system and the application of legal principles to complex transactions in addition it exposes students to statutory analysis an feature of this book is that uniform commercial code principles are integrated with common law rules throughout the book material also exposes students to the methods and theories of code interpretation

this book provides a perspective on knowledge management at siemens an internationally recognised benchmark by presenting the reader with the best of the corporation's practical applications and experiences tom davenport and gilbert probst bring together instructive case studies from different areas that reflect the rich insights gained from years of experience in practising knowledge management most of the cases have been updated for the second edition new cases have been added the knowledge management case book provides a comprehensive account of how organisational knowledge assets can be managed effectively specific emphasis is given to the development of generic lessons that can be learned from siemens experience the book also offers a roadmap to building a mature knowledge enterprise thereby enhancing our understanding of the steps that need to be taken in order to sustain competitive dominance in the knowledge economy presenting applications from very different areas this practice orientated book is really outstanding in the broad field of km literature perhaps the most revealing and interesting part of the cases in this book is not the analysis of the various knowledge management tools and processes but the description of their

development of how they come about of how commitment was gained of how implementation was led yves doz the timken chaired professor of global technology and innovation at insead fontainebleau this case book brings insights how our most valuable resource makes those tools happen i found this book exciting reading because it is to my knowledge the only book where a single company with a wide variety of knowledge management approaches accumulates years of experiences and lessons learned edited by two of the leading thinkers in the field of knowledge management this book will show the way you practise knowledge management in your company heinz fischer global head of hr deutsche bank ag this book is a rare and valuable description of a single company s knowledge management journey siemens has made impressive advances in becoming a knowledge driven firm and this volume details many of its directions and waystations laurence prusak executive director ibm institute for knowledge management though there are many books on knowledge management this is a unique one on a sense that it provides practical application of km rather than the jargon sushil modi foundation chair professor and group chair department of management studies indian institute of technology new delhi
