the neoplatonic philosopher plotinus invites us to take part in his philosophizing when he encourages his readers to think about what they think they are as living beings human beings as rational beings ethical

subjects and as philosophers he is interested in what we say about ourselves in ordinary language and notices that such ordinary experience conflicts with what the platonic tradition claims we truly are this conflict does not lead him to turn away from the human terms and expressions but impels him to take seriously what we say about ourselves and to explain it philosophically

levinas and the greek heritage shows that throughout his career emmanuel levinas always admired and recognized his profound debt to plato and to the philosophical tradition he initiated which have been largely transmitted to us by the neoplatonists most notably plotinus and proclus how can we read otherwise than being or beyond essence in any other way than as some sort of neoplatonic programme prolonging plato s good beyond being of the republic vi 509b in the direction of the other man the one which in his nudity and fragility opens for us the horizon of a new humanism there are many ways by which one can attempt to go over and above being not only a greek way primordially metaphysical but also a biblical way mainly ethical one of the interests of levinas philosophy is to show us the hidden community and perhaps unavoidable interdependency of these two approaches one hundred years of neoplatonism in france shows that during the twentieth century a retrieval of neoplatonism is a powerful hidden feature of french philosophy and theology of spiritual and institutional life beginning with henri bergson it passes by way of figures like maurice blondel a j festugiere henri de lubac jean trouillard henry dumery and culminates with michel henry pierre hadot and jean luc marion the book examines the particular character neoplatonism takes in this retrieval and traces connections between leading figures within the french and anglophone worlds
