libations and other sacrifices were made to the respective gods and animals as can be seen in the example above however there does not seem to have existed a unified way to celebrate beltane local variations and different traditions can be observed and it is very difficult to make universally valid claims concerning the procedures of the celtic beltane feasts in different areas it is nevertheless the aim of this paper to provide a very brief overview of this very important celtic feast in the following lines the most important days of the celtic ritual year will be introduced and it will be attempted to answer the questions what is beltane where does the name come from how was it celebrated and why was it so important moreover some interesting beltane traditions and rituals will be presented and a very brief overview of some present day beltane survivals and revivals will be provided
