program this work is a part of our basic source book called a journey of discovery for an extraordinary treasure risale i nur the treatise of light training program upon which our journeys of discovery risale i nur training program is constructed and it is man's high value that becomes apparent with faith and the beauties of the being faithfull which is the third discovery of the five discovery dealt with in the first main part of that book which is called discovering the value of the treasure of faith we strongly suggest and present this book to those who regularly read risale i nur as well as to those who want to get some information for the first time the epilogue of our book which is entitled your journey just begins now is also included in this work as it contains emotional striking and impressive points coming sincerely from the deepest parts of our hearts about the reading of risale i nur and attendance to the risale i nur lectures why a visual interactive book reading and watching the written truths in a verbal and visual format with additional explanations not provided in our book enables you to better understand and feel them in this way you are following the most fruitful method in understanding the knowledge of faith which cannot be understood just with intellect but rather are felt truths and in opening the door for new perspectives for them we keenly believe that with this method of reinforcement allah willing highest level of benefit will be realized in terms of understanding risale i nur and the universe when you open pdf document on your computer with adobe reader you can read it better by choosing two pages option and zooming in since full screen mode of the microsoft word changes the places of the visuals you should read it in page format by zooming in we would rather prefer if you would download it in pdf format and read it with adobe acrobat due to both its small size and readability it in this way it is possible to click links and open the word and pdf files and videos within this interactive book in your computers and cell phones in your cell phone use wps office for word and adobe acrobat reader for pdf files wps office is a useful program which opens the footnotes when clicked upon but it can't open the links in this way for this reason we suggest that you use adobe acrobat reader in order to benefit from the interactive features of the book book index picasso's painting it is shown with a beautiful style which leaves its taste in the mind that the real valuation of man is only possible with the recognition of the fact that he is a wonder of art through faith which means his loyalty to his creator the real truth which is brilliant and beautiful of the universe it is told in a very striking example that the person who does not listen to the divine revelation looks like a person who is just trying to illuminate the darkness in front of him just with a pocket flashlight the source of an amazing feeling of confidence it is discovered with a brilliant example that giving

up carrying this burden of life on one's shoulders and leaving it to the power and wisdom of Allah is a great source of confidence the difference of the man the profound secret why the human being unlike animals needs to learn and improve himself constantly is skilfully removed from where it is hidden and it is brought to the daylight discovery of the subtle secret of supplication prayer it is told why the prayers are not accepted every time what the purpose of the pray should be and what the most beautiful result of the pray is for the human being on the concept of self confidence reliance as we try we try to explain the relationship of man with the nature with the creator and with himself we see how misleading this corrupt concept nature is small targets low tastes we sink ourselves into the effort of understanding the relation of the man with life and its tastes big target high tastes we start questioning the life styles and try to look at different styles of lives that we see around ourselves from a different perspective being suspicious of our lifestyle we are trying to realize that the glorious human civilization is actually nothing more than the gathering together of the pieces of a lego package and we are investigating how we should try to achieve happiness a tremendous truth worth being discovered it is revealed how the true worth of man has emerged and what kind of a great source of power and wealth it could be for those who wonder about the secret of the universe very remarkable answers are given to the questions of what the true nature of man's high duties are and what the essence of the meaningful servitude which uncovers the secret of existence of the universe is and it is stated that human being is expected to voluntarily assume these great duties

school zone software presents important curriculum through engaging games puzzles movies and more school zone workbooks include a variety of exercises that reinforce and extend the same curriculum together the software and workbooks teach and review skills far better than any stand alone software product school zone's award winning educational cd roms are excellent interactive learning tools combining motion and sound with exceptional graphics makes the content extra engaging children stay actively involved attentive and learning for hours

the book introduces concepts principles methods and procedures that will be valuable to students and scholars in thinking about existing organization systems proposing new systems and working with management professionals in implementing new information systems this book of information systems and management science proceedings

of isms 2020 is intended to be used as a reference by students and researchers who collect scientific and technical contributions with respect to models tools technologies and applications in the field of information systems and management science this textbook shows how to exploit information systems in a technology rich management field

its pages are filled with interesting characters discoveries and inventions insight and practical guidance as told from the point of view of a pioneer who has devoted her life to empowering people to create their own experience through interactive media

the i series leads the student through clear error free and unambiguous steps to accomplish tasks that produce a finished document work sheet or database table the approach is not simply results oriented teaching how to accomplish a task is not enough for complete understanding and mastery prior to introducing steps the authors discuss why each step is important and what roll all the steps play in the overall plan for creating a document workbook or database the i series applications textbooks strongly emphasize that students learn and master applications skills by being actively engaged by doing
