the strange but true biography of the colorful founder of saucerian books a central purveyor and promoter of flying saucer and conspiracist knowledge in the mid twentieth century gray barker 1925 1984 was an eccentric literary outsider filled with ideas that were out of step with the world an author and unreliable narrator of implausible stories barker founded and operated saucerian books an independent publisher of books about flying saucers and other ideas at the fringes of popular discourse in the saucerian gabriel mckee tells the fascinating story of barker s west virginia based press the unique corpus of materials it published and how office copying and self publishing techniques influenced the spread of paranormal beliefs and conspiratorial worldviews over the last century following the development of ufo subculture mckee explores the life and career of a larger than life hoaxer and originator of pseudoscientific ideas ever an entertainer barker established his reputation with one of the first flying saucer fanzines the saucerian and with his first book the conspiratorial and sensationalistic they knew too much about flying saucers by the close of the 1950s he had established a publishing imprint that brought out some of the strangest ufo related books of the era with a particular emphasis on flying saucer contactees saucerian books became a platform for those whose stories were too unusual implausible or crudely written for more mainstream publishers though barker himself was a skeptic he viewed the world of occult believers as a source of ongoing entertainment he also may have used the perceived eccentricity of flying saucer research or ufology to obscure his homosexuality from his small town neighbors from his place on the fringes of midcentury american

culture barker left an unmatched legacy in conspiratorial concepts that have become prominent pop cultural folklore including the men in black the mothman and the philadelphia experiment as a mastermind behind the fantastical barker s promotional efforts were the precursor to contemporary conspiracism

money greases the wheels of american politics from the local level to the white house in the 2004 presidential campaign president george w bush alone raised nearly 400 million in private and public funds nearly twenty times the combined total raised by john kennedy and richard nixon in 1960 to defeat challenger john f kerry further fueling anxiety over the power of money to dictate political results melvin urofsky one of our nation s most respected legal historians takes a fresh look at efforts to rein in campaign spending and counter efforts in the courts to preserve the status quo he offers a thoughtful and balanced overview of campaign finance reform and the legal responses to it from the progressive era through the supreme court s landmark ruling in mcconnell v fec 2003 and its impact on the 2004 election urofsky focuses especially on the 1971 federal election campaign act and 2002 mccain feingold or bipartisan campaign reform act bcra and on challenges to both in the supreme court in buckley v valeo 1976 the court upheld contribution limits but struck down expenditure caps on first amendment grounds in mcconnell it upheld the key provisions of mccain feingold in both cases however opponents argued that congressional control of campaign financing was an unconstitutional infringement of the free speech rights of campaign contributors urofsky deftly steers the reader through this contentious and complex history revealing how both congress and the courts have navigated uneasily between the scylla of potential corruption and the charybdis of suppressing political speech ironically despite the court s decision upholding mccain feingold the 2004 presidential election was the most expensive in history because as urofsky notes money is the mother s milk of politics and both candidates and donors will always find ways to keep it flowing his book provides an excellent and succinct guide to the controversies and historical debates emerging from that fact
