stephen king s ultimate evil vehicle of terror christine the frightening story of a nerdy teenager who falls in love with his vintage plymouth fury it s love at first sight but this car is no lady evil is alive in libertyville it inhabits a custom painted red and white 1958 plymouth fury named christine and young arnold cunningham who buys it along with arnold s girlfriend leigh cabot dennis guildler attempts to find out the real truth behind christine and finds more than he bargained for from murder to suicide there s a peculiar feeling that surrounds christine she gets revenge on anyone standing in her path can dennis save arnold from the wrath of christine this 1 national bestseller is vintage stephen king breathtaking awesome carries such momentum the reader must force himself to slow down the new york times book review

censorship has been an ongoing phenomenon even in the land of the free this examination of banned books across u s history examines the motivations and effects of censorship shows us how our view of right and wrong has evolved over the years and helps readers to understand the tremendous importance of books and films in our society books ranging from classics such as a farewell to arms lord of the rings the catcher in the rye and the color purple as well as best selling books such as are you there god it s me margaret titles in the harry potter series and various books by bestselling novelist stephen king have all been on the banned books list what was the content that got them banned who wanted them banned and did the ban have the desired effect of minimizing the number of people who read the title or did it have the opposite effect inadvertently creating an even larger readership for the book silenced in the library banned books in america provides a comprehensive examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption included in its discussion are explanations of the true nature of the objections along with the motives of the authors publishers and major proponents

of the books content is organized based on why the books were banned such as sexual content drug use or religious objections this approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years readers will come away with a fuller appreciation of the immense power of words on a page or an ereader device to inflame and outrage influence opinion incite thought and even change the course of history

though often disparaged by literary critics stephen king s work has influenced a generation of horror and science fiction writers acting as a study guide this book features the important critical interpretations of the horror master s work

this book bridges medieval and contemporary philosophical thinkers examining the relationship between fiction and philosophy for bringing about social change drawing on the philosophical reading and writing practices of medieval author christine de pizan and twentieth century philosopher luce irigaray and through an engagement with hans georg gadamer s work on tradition and hermeneutics it develops means to re write the stories and ideas that shape society it argues that reading for change is possible by increasing our capacity to perceive and engage tradition we become more capable of positively shaping the forces that shape us following the example of the two women whose work it explores story and philosophy works through philosophy and narrative to deeply transform the allegorical political and continental tradition it engages it is essential reading for students and scholars interested in medieval studies feminist studies and critical theory

contemporary life is founded on oil a cheap accessible and rich source of energy that has shaped cities and manufacturing economies at the same time that it has increased mobility global trade and environmental devastation despite oil s essential role full recognition of its social and cultural significance has only become a prominent feature of everyday debate and discussion in the early twenty first century presenting a multifaceted analysis of the cultural social and political claims and assumptions that guide how we think and talk about oil petrocultures maps

the complex and often contradictory ways in which oil has influenced the public's imagination around the world this collection of essays shows that oil's vast network of social and historical narratives and the processes that enable its extraction are what characterize its importance and that its circulation through this immense web of relations forms worldwide experiences and expectations contributors essays investigate the discourses surrounding oil in contemporary culture while advancing and configuring new ways to discuss the cultural ecosystem that it has created a window into the social role of oil petrocultures also contemplates what it would mean if human life were no longer deeply shaped by the consumption of fossil fuels

veteran king chronicler george beahm thoroughly examines stephen king's life as a celebrity and a publishing phenomenon who has published more than forty books from *Carrie* to *Wizard and Glass* the fourth dark tower novel complete with new photos taken especially for this edition and reprints of little seen king pictures unearthed from archives this book is a textual and visual treat and a must for king's millions of readers
