alchemy and the philosophers stone are real this is not a joke or a scam this book covers the full theory and practice of alchemy and how to make

the philosophers stone capable of reversing the aging process and curing all disease to the effect that one could live forever this is an ancient secret which has never before been publicly released please read the book before making any judgement on it this world is not what it seems to be

chapter after chapter this manuscript introduces intriguing and shocking information found in the bible brought to the surface are scriptures no one talks about in church within this book you will discover why god demands that his people be sealed with a mark on their forehead why jesus was able to change his appearance at will why jesus mother and father were never seen during or after the crucifixion

after exploring every part of the great pyramid both inside and out the author reveals how it connects to history and predicts future events he advances the idea that major cataclysms of the past occurred at specifically predicable times and when the next world wide catastrophe will come if his predictions are accurate we need to prepare

in thinking and destiny something new although older than time is now made known to the world about consciousness the information is largely about the makeup of the human where man comes from what becomes of him it explains what thinking is it tells how a thought is created and how thoughts are exteriorized into acts objects and events and how they make his destiny destiny is thus shown to be self determined by thinking and the process of re existence and the after death states are told in detail a single reading of any one chapter of thinking and destiny brings rich rewards in new understanding of life s puzzling mysteries to read the entire book is to come nearer to knowledge of one s destiny and how to shape it than is possible through study of anything previously written in the english language both the casually curious glancer at books and the most avid seeker for knowledge will be intrigued by the index which lists more than 400 subjects in thinking and destiny and by the fifteen chapter headings in the table of contents which identify the 156 sections the foreword contains the only pages in which mr percival uses the first personal pronoun here he relates some of the amazing experiences through which he was able to grasp the knowledge he transmits and to acquire the ability to do so
