ted bundy is such an enigma that it is a challenge to describe him in one sentence he is certainly one of the most notorious serial killers of all time and one which both fascinates and terrifies us all in some way or another to think that he was able to sustain a life of education romance politics and ordinary day jobs while he brutally raped and murdered countless women across the united states is gut wrenching there were no signs of what he hid behind his charming smile and boyish personality he is known as a serial rapist and murderer but he was also a voyeur hebephile necrophile and cannibal with an avalanche of love for socks his fetishes ranged from burlington socks to sadomasochism and brunettes with their hair parted in the middle which he combined

into the most gruesome and torturous expressions of his inferiority and rage a cunning and manipulative nose picker who studied psychology and law to master his craft something that he said he worked very hard to get right wherever bundy fell short in childhood he made up for in adulthood making sure that he squeezed himself into as many middle to upper class circles as he could and earning himself the favor he needed from police officers politicians professors church leaders and girlfriends to help him stay undetected for as long as possible he had to be apprehended three times to keep him locked behind bars escaping twice in the most iconic performance of a serial killer ever observed he also naturally defended himself in court with each surmounting death sentence slipping in a marriage proposal with a tiffany s ring right before he was sentenced to death by electrocution he met old sparky in 1989 confessing to at least 30 murders after 11 years of denial in an attempt to buy himself more time some of the remains had been found while others have never been recovered bundy was and remains the icon of hybristophilia where women have often been absolutely enamored by him as a person believing that he was exceptionally special stephen michaud a journalist who spent possibly the most time with ted bundy on death row summed it up perfectly i tried to portray him as the worm that he was that he in fact knew that he was to look beyond that toothpaste smile and see him for what he is felt like a goal so if the public at large wants to turn him into some kind of evil genius or handsome scarlet pimpernel well then i can t help that i made a point to say that serial murder is a simple crime to commit and get away with it involves complete strangers in remote places let s discover the dirty details of what theodore got up to shall we

theodore robert bundy popularly known as ted bundy was america s most notorious serial killer a necrophilia rapist and kidnapper of 1970 s who murdered and assaulted many girls and young women shortly before his execution via electrocution after over a decade of crime denials he already confessed to his 30 committed homicides in seven different states between the years of 1974 and 1978 the real count of victim was left unknown and this could possibly be much higher ted bundy was viewed as charismatic and handsome by his female victims which are the traits he exploited in order to completely win their trusts bundy typically approached the victims in public places pretending to have disability or injury or personating an authority figure before assaulting and overpowering them at secluded locations ted bundy even revisits his crime scenes grooming and performing some sexual acts

with decomposing corpses of the victim until the destruction and putrefaction of wild animals made further the interaction impossible he beheaded 12 known victims and even kept some of the head in his own apartment as mementos for a time period sometimes he just simply broke into the dwelling at night and strikes to death his victims as they are as sleep ted was initially incarcerated in 1975 in utah for attempted criminal assault and aggravated kidnapping he became a suspect in progressively longer unsolved list of homicide in different multiple states when facing his criminal charges in the state of colorado he planned 2 dramatic escapes and was able to commit more assaults including 3 more murders before his 1978 ultimate recapture ted bundy received 3 death sentences in 2 different trials for his florida homicides ted died via electrocution at the raidford prison on the 24th of january 1989 he was described as the very sadistic sociopath who receives pleasure from other people s pain and suffering as well as the control he had over the victims until death and even after as a matter of fact ted called himself as the most cold hearted son of a bitch you will ever meet even his attorney called ted as the very definition of a heartless evil

bundy s criminal behavior as a serial killer can be explained in terms of freud s psychological theory according to freud a person s behavior comes about as a result of interactions between three aspects of his or her personality including the superego ego and id id drives instinct and controls what a person does from birth there are both constructive and destructive instinctual drives a person s ego moderates his or her instinctual drive while the superego is needed for a person s development during which he or she learns the values of society as freud puts it large portions of ego and superego can remain unconscious making an individual unaware of whatever he or she is doing ahmed 2012 examples of unconscious experiences include disturbing memories and extreme sexual behaviors if the person becomes aware of these unconscious experiences he or she is likely to engage in destructive behavior it can be concluded that bundy s ego and superego may have been unconscious when he was committing

initial criminal activities however when his awareness was restored he responded by even more destructive behavior like when he decided to kidnap and kill more than one lady during the day ahmed 2012 this book analyses the serial killer ted bundy
