this workbook accompanies gary edward schnittjer s torah story following the textbook s structure it offers chapter by chapter guided exercises designed to support the students learning experience and enhance their comprehension of the pentateuch working knowledge of the bible s first five books is essential for every serious student of the scriptures torah story by gary edward schnittjer emphasizes the content of the text itself moving beyond debating dates and theories of authorship into understanding how these key books of the bible help us understand the story of salvation

stories from the major works of classical rabbinic literature produced between 200 and 600 c e

in the art of narrative analogy seth postell offers a literary approach for understanding the relationship between the two testaments and between various biblical narratives that is more sensitive to the verbal meaning of the old testament than popular typological approaches he argues that narrative analogy the deliberate paralleling of characters events and themes across biblical texts provides a more exegetically responsible and theologically fruitful method for understanding the bible s unity and depth drawing on extensive examples from the hebrew bible and the new testament postell reveals how scriptural authors employ parallels to illuminate theological truths and deepen narrative coherence from the connections between rahab and lot to the analogies between jonah and the calming of the storm in mark s gospel he shows how these parallels invite readers into the bible s grand theological narrative postell also integrates illustrations from modern storytelling such as star wars to demonstrate how analogy shapes meaning in both ancient and contemporary contexts postell offers clear criteria for identifying narrative analogies and practical guidance for interpreting them making this volume an indispensable resource for students pastors and church leaders

a subject guide to hundreds of jewish stories this book s purpose is to help teachers rabbis librarians folklorists parents and storytellers find the right story to match their need it also will lead educators to a wealth of jewish stories on universal themes for use in multicultural programs for all ages the stories are numbered for easy reference and grouped in broad categories for example god faith and prayer rabbinic wit and wisdom tricksters and fools festivals and holidays for each story a list of tellings author and book title provides numerous options for the story seeker and a list of keywords connects the story subject categories two cross referenced indexes make locating stories easy whether by subject keywords or by title an appendix lists recommended stories for children of different ages from lower elementary through middle school the bibliography of almost 200 story collections and picture book tales gives the information needed to locate a source for every story in the book

an all inclusive resource for the study of sifre ha azinu texts

an author and subject index to selected and american anglo jewish journals of general and scholarly interests
