an account of american missionary activity abetted by mexican nationalists lázaro cárdenas president of mexico 1934 40 is widely remembered as the most nationalistic and populist mexican executive and was demonized by foreign investors scandalized by his nationalization programs particularly in the oil industry less well known are his efforts to mexicanize indigenous populations and to reduce the power of the conservative catholic hierarchy by encouraging anti clericalism and protestant evangelical activity common aims therefore united cárdenas and cameron townsend an american protestant missionary with the support of cárdenas and like minded mexican officials townsend formed the summer institute of linguistics or sil a training school for protestant missionaries who undertook to learn indigenous languages and to translate the bible into those tongues the official justification of this project was that the indians new vernacular literacy would serve as a bridge to learning spanish and thus to assimilation into the larger national population if at the same time townsend s linguists also served as evangelists of a fundamentalist form of protestantism so much the better in doing so the sil effort would undermine the catholic hierarchy which was seen as a rival of the mexican state and its plans for secular national development this unusual yet enduring alliance of a national government not known for friendship to foreigners and an unlikely collection of north americans who united scholarship political savvy and religious zeal is this book s topic the author relates the development of the sil from its close association with official mexico in the early 1930s to the late 1970s when a growing anti sil alliance led by a new generation of mexican anthropologists induced the mexican government to curtail its support for the sil hartch contributes objectivity to a topic that has been dominated by the polemics of either sil supporters or opponents recognizing the self interest that actuated all parties but also acknowledging that sil whether or not it meant to empowered and enriched many indigenous communities through the provision of literacy

in the early 1940s as the conflict between the axis and the allies spread worldwide the u s state department turned its attention to axis influence in latin america as head of the office of inter american affairs nelson rockefeller was charged with cultivating the region s support for the allies while portraying brazil and its neighbors as dependable wartime partners genevieve naylor a photojournalist previously employed by the associated press and the wpa was sent to brazil in 1940 by rockefeller s agency to provide photographs that would support its need for propaganda often balking at her mundane assignments an independent minded naylor produced something far different and far more rich a stunning collection of over a thousand

photographs that document a rarely seen period in brazilian history accompanied by analysis from robert m levine this selection of naylor s photographs offers a unique view of everyday life during one of modern brazil s least examined decades working under the constraints of the vargas dictatorship the instructions of her employers and a chronic shortage of film and photographic equipment naylor took advantage of the freedom granted her as an employee of the u s government traveling beyond the fashionable neighborhoods of rio de janeiro she conveys in her work the excitement of an outside observer for whom all is fresh and new along with a sensibility schooled in depression era documentary photography of dorothea lange and walker evans as well as the work of cartier bresson and filmmaker serge eisenstein her subjects include the very rich and the very poor black carnival dancers fishermen rural peasants from the interior workers crammed into trolleys ordinary brazilians in their own setting rather than simply brazilian symbols of progress as required by the dictatorship or a population viewed as exotic latins for the consumption of north american travelers with levine s text providing details of naylor s life perspectives on her photographs as social documents and background on brazil s wartime relationship with the united states this volume illustrated with more than one hundred of naylor s brazilian photographs will interest scholars of brazilian culture and history photojournalists and students of photography and all readers seeking a broader perspective on latin american culture during world war ii genevieve naylor began her career as a photojournalist with time fortune and the associated press before being sent to brazil in 1943 upon her return she became only the second woman to be the subject of a one woman show at new york s museum of modern art she served as eleanor roosevelt s personal photographer and in the 1950s and 1960s became well known for her work in harper s bazaar primarily as a fashion photographer and portraitist she died in 1989

this volume introduces researchers to the leaders ideas and institutions of the keswick movement a strand of holiness teaching that was embraced by many evangelicals who came from the more calvinistic wing of protestantism especially anglicans baptists congregationalists and presbyterians the keswick movement is the most difficult of the three main holiness traditions to delineate unlike the wesleyan holiness and holiness pentecostal traditions the keswick movement has not gone through a definitive period of careful theological refining and institutional boundary setting
