the concepts of power and identity are vital to many areas of social research in this edited collection a prominent set of contributors explore the double relationship between power and group identity focusing on two complementary lines of enquiry in what ways can the powerful dictate the identities of the powerless how can the powerless redefine their identity to challenge the powerful each chapter is written by leading authorities in the field and investigates a particular aspect of the interplay of identity and power via a range of empirical contexts such as colonialism nationalism collective action and electoral politics the case studies include early modern goa under portuguese rule the tribes of modern day jordan the use of sexual stereotyping and objectification by female activists seeking to transform social systems and a revisiting of the classic stanford prison experiment the chapters include contributions from a variety of social disciplines and research methodologies and together provide a comprehensive overview of a subject at the cutting edge of social and political psychology power and identity will be of great interest to researchers graduates and upper level undergraduate students from across the social sciences

this text provides an ethnography of a chinese middle school based on fieldwork conducted in 1988 to 1989 it provides a way of looking at classroom and societal interactions in terms of the interplay among criticism face and shame

this book analyses the abuse of idealism with particular reference to china s cultural revolution the work examines abuse at two levels the state leaders metaphysical vision as the interpretation of idealism at the top with state power and the psychological state of the masses at the bottom of society the concept of abuse itself is discussed with the author arguing that idealism is often used to justify abuse while many are all too willing to accept this as idealism itself on the other hand many dismiss the idealist vision because of the horrible consequences of the abuse for these reasons the book holds that abuse of idealism should not be confused with the original intent of idealism it is further argued that the masses often complement dictatorship due to a basic weakness of human nature finally the book proposes that the concepts of human dignity and equal access to truth are prerequisites for the effective rule of law within china
