this classic book offers the most comprehensive and up to date history of slovakia from its establishment on the danubian plain to the present while paying tribute to slovakia s resilience and struggle for survival it describes contributions to european civilization in the middle ages the development of slovak consciousness in response to magyarization its struggle for autonomy in czechoslovakia after the treaty of

versailles its resistance as the first slovak republic to a nazi controlled europe its reaction to communism and the path that led to the creation of the second slovak republic now fully updated to the present day the book examines the vagaries of slovak post communist politics that led to slovakia s membership in nato and the european union

until the dissolution of czechoslovakia slovakia s identity seemed inextricably linked with that of the former state this book explores the key moments and themes in the history of slovakia from the duchy of nitra s ninth century origins to the establishment of independent slovakia at midnight 1992 3 leading scholars chart the gradual ethnic awakening of the slovaks during the reformation and counter reformation and examine how slovak national identity took shape with the codification of standard literary slovak in 1843 and the subsequent development of the slovak national movement they show how after a thousand years of magyar slovak coexistence slovakia became part of the new czechoslovak state from 1918 39 and shed new light on its role as a nazi client state as well as on the postwar developments leading up to full statehood in the aftermath of the collapse of communism in 1989 there is no comparable book in english on the subject

a chronology of slovak history from the earliest times through the end of 2000

on the stroke of midnight on 1 january 2013 the inhabitants of slovakia celebrated a major milestone in their history two decades of democratic government and personal freedom this is so far the longest period of such rule in their history this anniversary surpasses by a few months their only previous generation long experience namely in the first czecho slovak republic 1918 1938 the difference of course is that the slovaks no longer share a state with another nation but run their own affairs slovakia is now an accepted and recognized member in the family of nations whose athletes artists and other notable personalities are acknowledged around the world it is a member of international organization s and multilateral institutions and participates in efforts to maintain peace and enhance prosperity around the world the third edition of historical dictionary of slovakia provides a thorough update of the many accomplishments that slovakia has achieved this is done through a chronology an introductory essay and an extensive bibliography the

cross referenced dictionary section has over 1000 entries on significant persons places and events political parties and institutions literature music and the arts this book is an excellent resource for students researchers and anyone wanting to know more about slovakia

little contemporary scholarship on slovak history exists in english this title fills an important gap in historiography about events throughout central europe over the last fourteen centuries it presents the history of slovakia in terms of the latest scholarship and in the context of on going historical debate about slovak history and its presentation in post socialist world extensive footnotes by scholars 350 color illustrations index bibliography foreword and epilogue

geared towards american readers this book is a series of historical and biographical narratives about the slovak people and their culture

the historical dictionary of slovakia offers in its second edition an up to date series of entries on slovak political social and economic development since the creation of the second slovak republic in 1993 until its admission into the european union in 2004

this survey of czech and slovak history traces the development of two neighboring peoples through the creation of a common czechoslovakian state in 1918 to the founding of the independent czech and slovak republics in 1993 and beyond the history of the czech republic and slovakia charts historical developments in the two nations to the opening decade of the 21st century the book begins with an overview of the geography climate people economy and government of both the czech and slovak republics subsequent chapters offer a chronologically organized survey of historical events trends ideas and people starting with the early slavic settlements around the 5th century ad the book explores czech and slovak history through the middle ages the renaissance and early modern eras the enlightenment and the age of nationalism and revolution chapters on the 20th century include discussion of the world wars the interwar czechoslovak state the communist decades the prague spring and the velvet revolution of 1989 the story is brought up to date with insights into developments in the independent czech and slovak republics since 1993

in this compilation the authors evaluate the political situation in slovakia a young democracy with a population of over five million and with history of a quarter of a century of independence lying in the heart of europe by analyzing the results of the recent general parliamentary election held in 2016 and a series of referenda that have taken place in slovakia over the past two decades they present the basic rules for the application of parliamentary elections in this post socialist european country commenting on the pre election situation and the chances of individual parties based on the results of pre election opinion polls information concerning an important library located in bratislava the capital of the slovak republic is presented in one chapter the library was founded in 1919 and the first period of its development includes the time of the interwar czechoslovak republic from 1919 to 1938 when it was known as the comenius university library the position and mission of the university library at individual stages the different ranges of its activities and tasks and the overall potential to fulfil its scientific cultural and educational mission are also presented following this the authors analyze the historical roots of political radicalism and extremism in slovakia the methodology of this chapter is based on historical analysis and statistical analysis of election results secondary analysis of surveys and analysis of relevant documents and media output lastly asylum seekers access to health care in the slovak republic is described asylum seekers represent a specific group since they are not included in the slovak health insurance system therefore they do not have the same rights regarding health care as citizens of the slovak republic

presents a thirteen volume reference guide to the geography history economy government culture and daily life of countries in europe

slovakia has a rich and complex history but until now there has not been a comprehensive analysis of the nation s economic thought this volume expertly fills this gap and traces the development of slovak economic thought from the sixteenth century to the present day identifying key themes moments and thinkers the chapters in this work consider the evolution of slovak economic ideas and explores the nation s place alongside other schools of thought significant coverage is given to the economists gregorius berzeviczy and imrich karvaš as well as landmark periods

such as the creation of czechoslovakia the world wars the socialist regime and post communist slovakia this book is of interest to advanced students and researchers of the history of economic thought economic history and political economy as well as those with a specific interest in the history of slovakia

the slovaks lived under hungarian rule for centuries with no clear sense of political separateness preserving slovak as their spoken language but using czech as their written language in the last decades of the 18th and the first half of the 19th centuries the efforts made by clerical intellectuals to develop a language more closely attuned to slovak needs led to the rise of slovak nationalism the slovak national awakening describes the three major stages in the development of national consciousness in the 1780s catholic intellectuals began to write in the vernacular a catholic priest bernolák produced a slovak grammar and dictionary and an influential treatise in defence of slovak as a language separate from czech however while slovak ethnic distinctness was being asserted the sense of belonging to the hungarian nation was not questioned the next steps were taken by the protestant intelligentsia who had been pro czech since the reformation influenced by german concepts of linguistic nationalism they began to assert slovak cultural and linguistic separateness but still within the political framework of the hungarian state the third stage in the slovak awakening came in the mid 1840s when a group of young protestant intellectuals led by Ľudovít Štúr rejected their predecessors czechoslovakism and advocated a slovak language and a slovak nationality in 1851 the catholic bernolákites and the protestant Štúrites were able to agree on the language that became the basis of modern slovak this study of the relation between language and nationalism will appeal to specialists in european history and will be of interest for the light it throws on modern separatists and anti imperialist movements

Yeah, reviewing a book **A History Of Slovakia Paperback** could be credited with your near friends listings. This is just

one of the solutions for you to be successful. As understood, success does not recommend that you have fantastic points.

Comprehending as skillfully as contract even more than other will allow each success. next-door to, the revelation as
