publicados en 1851 como núcleo central del primer tomo de parerga y paralipomena los aforismos sobre el arte de vivir son en palabras de franco volpi preparador de esta edición una de las obras maestras más afortunadas del pensamiento occidental en sus páginas y después de que hubiera plasmado en el mundo como voluntad y representación una férrea metafísica del pesimismo arthur schopenhauer 1788 1860 ofrece un compendio de filosofía práctica en el que recoge doctrinas recomendaciones y advertencias para desenvolverse mejor en la vida y evitar sus trampas y contrariedades un arte de prudencia en suma que se puede considerar como una estética de la existencia y es que es justamente la concepción de ésta como espacio que oscila entre el dolor y el aburrimiento lo que impulsó a schopenhauer a considerar la filosofía como una forma de sabiduría práctica capaz de modificar la manera de ser de uno mismo y de proporcionarle su forma mejor a la vez que como un instrumento propio para afrontar las adversidades y para ser moderadamente felices sobreponiéndonos a ellas

obra editada por ernst ziegler en la obra de arthur schopenhauer pensador misántropo y pesimista denostado por sus amargas invectivas el lector no encontrará cándidos pensamientos con los que acompañar plácidamente el paso de los días sin embargo se equivocará si busca en el autor tan solo una amarga visión de la vida severos diagnósticos sobre la época que le tocó vivir o incluso en último término una exhortación al suicidio como muestra la presente selección de textos a cargo de ernst ziegler lo que brota de su pensamiento es la convicción de que debemos comenzar a vivir de nuevo cada día pues resulta todo un arte permanecer con vida la única forma de existencia es el momento presente que es también la posesión más segura aquella que nadie nos podrá arrebatarse jamás arthur schopenhauer

this book details the immense impact that jorge luis borges has had on the thinking and writing of the twentieth century and how many have misunderstood that impact it highlights how his symbols techniques parody irony and artful ambiguity in his fiction essays and poems force us to question what we can know with certainty what is real and what is dream and who we are and thus define what has become

the core of the postmodern vision the book explores borges s distinctly latin american postmodern pluralism it details how this pluralism has informed the postmodern discussions of the self love history feminism and politics and has influenced writers in the u s and latin america throughout it argues that the argentine writer avoids the nihilism and chaos of a radical relativism that many have come to associate with postmodernism rather his vision affirms values and a search for positive knowledge mark frisch is associate professor in the department of modern languages and literatures at duquesne university

this volume contains a bicentennial trilingual anthology of essays on arthur schopenhauer by 20 late 20th century schopenhauer scholars

the world as will and idea is schopenhauer s most famous work where he presents his central thesis that the world is driven by a metaphysical will a blind and irrational force on the will in nature explores how schopenhauer s concept of the will manifests in the natural world essays from parerga and paralipomena includes a variety of shorter essays that cover topics from ethics to aesthetics providing insights into schopenhauer s broader philosophical system

in 1926 as a young man of 28 with a growing reputation as an oral poet federico garcia lorca 1898 1936 toyed with the idea of proving his worth in writing by bringing out a boxed set of three volumes of his verse because the suites canciones and the poema del cante jondo eventually came out singly in the case of the suites posthumously readers have not always realised that they formed a single body of work one which lorca himself was surprised to note has una rarissima unidad an odd unity of aims and accomplishment this is poetry which takes up the question of desire in progressively depersonalizing ways and shows modernism coming into being through renunciation by cutting away the personal and the taboo lorca created a poetry that like no other in europe stood between the avant garde and oral traditions making their contradictions his truth roberta ann quance is senior lecturer in spanish at queen s university belfast
