this study looks at the economic changes accompanying the 1974 social revolution in ethiopia it analyses the attempt to introduce a socialist pattern of development and underlines the weaknesses in development strategy chapters on land reform and agricultural development are included

it is widely acknowledged that youth unemployment is one of the most critical challenges facing countries in sub saharan africa this volume brings together an eminent group of international scholars to analyse the extent and complex nature of this joblessness and offer a set of evidence based policy choices that could contribute to solving the problem in the short and long run part i reviews the existing literature on youth unemployment and underemployment in sub saharan africa from microeconomic and macroeconomic perspectives while part ii goes on to present detailed country studies of ethiopia ghana kenya and south africa these studies offer a deep

understanding of the situation on the ground and consider country specific solutions throughout the book it is argued that the standard ilo definition of unemployment is too narrow to correctly portray employment situations in sub saharan africa several alternative measures of unemployment are presented which show that joblessness is far more pervasive than commonly assumed in the literature this volume will be of interest to academics and policy makers involved in african development

this book investigates youth employment programmes across nine african countries providing important insights into the world s youngest continent by population in which 60 of people are aged under 25 by 2050 the labour force in sub saharan africa is expected to be almost double the size of the labour force in high income countries representing a massive shift in the world s working population and providing a significant challenge for job creation in this book contributors bring together insights from more than 500 in depth interviews and 1 500 focus group participants to consider whether youth employment programmes are effectively reaching vulnerable groups this book tackles the problem of political clientelism in the allocation of benefits and considers the level of coordination that is taking place across programmes and political institutions combining rich empirical findings with data about labour market outcomes and institutions this book will be an important read for researchers wishing to understand the political economy of youth employment policy in africa

promoting decent rural employment by creating new jobs in rural areas and upgrading the existing ones could be one of the most efficient pathways to reduce rural poverty this paper systematically investigates the impact of decent rural employment on agricultural production efficiency in sub saharan african countries taking ethiopia and tanzania as case countries the analysis applies an output oriented distance function approach with an estimation procedure that accounts for different technological demographic socio economic institutional and decent rural employment indicators data of the most recent round of living standards measurement study integrated surveys on agriculture lsms isa for the two countries are used and a set of indicators are derived to proxy core dimensions of decent rural employment the findings of our analysis show that decent rural employment contributes to agricultural production efficiency

topics covered include an overview of legislation on termination of employment the different approaches taken to the subject in various national systems an introductory summary of the legislation on termination
