a gift from the creator that is where it all began the game of lacrosse has been a central element of many indigenous cultures for centuries but once non indigenous players entered the sport it became a site of appropriation then reclamation of indigenous identities focusing on the history of lacrosse in indigenous communities from the 1860s to the 1990s the creator s game explores indigenous non indigenous relations and indigenous identity formation while the game was being stripped of its cultural and ceremonial significance and being appropriated to construct a new identity for the nation state of canada it was also being used by indigenous peoples for multiple ends to resist residential school experiences initiate pan indigenous political mobilization and articulate indigenous sovereignty and nationhood on the world stage the multilayered story of lacrosse serves as a potent illustration of how identity and nationhood are formed and reformed engaging and innovative the creator s game provides a unique view of indigenous self determination in the face of settler colonialism

this is pure sci fi and no wizards magic dungeon s or dragon s are in it it is the story of a band of dimensionaut s who as small pioneering teams venture to the far corners of the universe its their staory starting with the problems of the early days of the programme and the trials and tribulations of their many trips to strange worlds their encounters with bothvery advanced entities and primitive life forms it is accounts of their contacts with beings from other dimensions and finally what happened when one of them ends up going outside of the known universe the subsequent meeting with the creator has profound consequences for the human race on her return

discover the life changing dynamic of appreciation see the ordinary become extraordinary through the eyes of your loving creator dr james p gills takes on the godless philosophies that caused a shift in worldviews during the late nineteenth and early twentieth centuries he combines science with christian faith proving that god is the one creator and that happiness results from showing him gratitude for the things we have by reading this unique book about god and as a result enter in to a

more satisfying life as you deepen your relationship with him experience a more useful life as you begin to live each day according to how he sees it discover your special destiny as you uncover his great and purposeful life through his word you will be refreshed to discover that god loves you and has great plans for your life

what if science and faith were two halves of the same truth the creator s craft reimagines the origin of existence daring to connect the truth of the bible to the cutting edge of scientific discovery this book proposes that the idea of god as creator can exist alongside human scientific attempts to understand existence forget the traditional divide between science and theology this book presumes that god created people to be curious ask questions and search for truth using concepts from quantum physics the creator s craft suggests how god as an artist could have created not just the world or universe but existence itself perhaps most intriguingly the book attempts to describe god s motivation for creating humankind a work of theological and scientific metafiction the creator s craft doesn t claim to be true only possible
