all successful deliverance must begin by first removing that which defends the enemy or gives him access to your life and destiny in speaking of spiritual warfare the apostle paul registers the word stronghold to define the spiritual fortresses in which satan and his legions hide and are protected these strongholds exist in the thought patterns and ideas that govern individuals and organizations as well as communities and nations under the rules of engagement in spiritual battles it s important to point out that the weapons of engagement are absolutely spiritual and not carnal therefore the use of physical forces or arms among civilians are biblically unauthorized it is evident that god sets the rules of engagement in spiritual warfare everything begins with him and ends with him so it is only natural that he sets the rules of combat once this is understood warfare becomes part and parcel of life till the end of times either we die and go to be with the lord or he comes and ends the world many christians have discovered that warfare is not as easy as binding and losing the devil the details of engagement at performance and procedures at working of warfare have severe implications and applications on a daily basis all of humanity is in a war for their survival warfare is real on two levels the natural and spiritual the

earth is hurtling towards disaster because of the works of the devil on earth man is out of control on planet earth and he knows it yet man ignorantly continues on his merry little way fulfilling the impulses and desires of the devil to understand the rules of engagement we have to look no further than the deliverance of israel as a nation from egypt god sets the scene using the first rule of engagement which is god initiated warfare and the lord spake unto mooses saying speak unto the children of israel that they turn and encamp before pihahiroth between migdol and the sea over against baalzephon before it shall ye encamp by the sea for pharaoh will say of the children of israel they are entangled in the land the wilderness hath shut them in and i will harden pharaoh s heart that he shall follow after them and i will be honoured upon pharaoh and upon all his host that the egyptians may know that i am the lord and they did so exodus 14 1 5 the rules of engagement helps you recognize the spirits that operate in the kingdom of darkness and gives you declarations for engaging them armed with god s power and authority the rules of engagement for the christian engaging in warfare is obedience to the instructions god has given the professing christian to live by christians must know the word of god to apply when occasion demands in any given situation or circumstance mind you every situation circumstance and issues are not brought on by demonic activity rule of engagement is applicable when the christian wages war on the devil he does this to take back territory and establish the kingdom of god on earth the idea of preaching the gospel is really entering into warfare the moment you put your hand to the plough you are engaged in warfare the rules here are even riskier because you have to walk in a manner that is not only walking in righteousness and holiness but listening to the holy spirit who trains your fingers for battle many christians have gone out on a mere impulse and unconfirmed divine direction and have found themselves in deep trouble though we are called to be witnesses for christ jesus told his disciples that he was giving them power to be his disciples he did this when he sent the holy ghost and power we too must receive the holy ghost and power this is essential to warfare and the spreading of the gospel when you begin to engage the instructions revealed in this book and prayer manuel your relationships shall be healed your finance and health will be restored and your wealth shall be released your latter end shall be more glorious than your beginning if you sincerely partake in this spiritual exercise your possession shall multiply and your family foundation and heritage shall have a divine visitation and revival you will have an encounter with the power of god which gives one divine immunity against evil and demons be encouraged and remember to pray without ceasing 1 thess 5 17 emmanuel okafor

100 prayer points for night vigil is another compendium of double edged prayer points as exploited by pastor e a adeboye in his ministries the fiery set is most ideal for use in night vigils and crusades

god wants us to prosper and be in health however many people are often denied of one need or the other as they tend not to be

available when needed most it is god s will that every need must be supplied to us and so we are not expected to lack any good thing satan the age long enemy of man is responsible for human lack and afflictions this book is specially designed to put an end to such afflictions from the kingdom of darkness as it offers over 210 spiritual prayers that will attract money financial ideas and favor of god and man into your life the prayers in this book are not meant to be prayed casually they are highly spiritual i m fully convinced that this book will be of immense blessings to you the prayers in this book covers many areas of your life you will only be able to appreciate the book when you go through all the prayers this is because the prayers are spiritually discerned and arranged you are to pray the prayers in this book with all seriousness pray most of them repeatedly before moving to the next prayer these prayers would be very great during your special midnight prayers furthermore since these prayers were released while meditating on god s word you can pray this prayer perfectly even if you don t have access to the holy bible during your prayers i look forward to your arrays of testimonies as you read this book and add the wisdom and grace in it to your life and family

preface the bible says ask and you shall receive that was jesus christ himself handing down the instruction directly in mathew 7 7 it encourages every human to pray prayer marks us as humble people with the fear of and dependent on god the same bible says if my people which are called by name shall humble themselves and pray i shall hear from heaven and heal their land and we are also told to pray without ceasing we should take all things to god in prayer do we need to be taught to pray my sincere answer is a big yes there is nothing wrong in anyone asking for prayer points or being taught how to pray in the bible the apostles asked jesus christ for prayer points luke 11 1 and it came to pass that as he was praying in a certain place when he ceased one of his disciples said unto him lord teach us to pray as john also taught his disciples also it is better to humble yourself and ask for prayer points than to pray amiss james 4 3 james 4 3new international version niv 3 when you ask you do not receive because you ask with wrong motives that you may spend what you get on your pleasures consider this anybody can insert a car key start the car and begin to drive anybody can drive a car even those who did not learn how to drive at all but if you did not learn how to drive before getting behind the steering either you hit somebody or somebody will hit you and both are disastrous so we need to pray and pray without ceasing and to avoid praying amiss there is no harm in being taught the proper way to pray yet i must state when words fail you speak in tongues chapter one why this book this book will point out to you the need to know the will of god first it is not enough to pray you must pray in accordance with the will of god therefore for your prayers to achieve the desired result you must first of all find out what the will of god for that thing situation and circumstance is you must know what exactly it is you want you must also know exactly what you want and pray specifically for our lord jesus christ says we pray and have no answers because we pray amiss let me share a story i read in one of pastor shambach s book the young man went to the man of god and asked to be prayed for so that he can land a job the man of god asked him what type

of job he wanted and the applicant said just any job would do seeing that the requester is a graduate the priest laid hand on his head and asked god to give him the job of a messenger the young man sharply pulled off his head and rejected the job of a messenger and that brings me to the third point you must not only know what you want you must go specifically and directly to ask for what you want and not something resembling it these are reasons why i have written this book to give direction when it comes to prayer content to make us ask for the right things and to be specific god does not answer us because of the volume of words spoken rather he listens to our specific issues and that is why to avoid squandering quality time wandering spiritually or splitting one prayer point into twenty we need a book that points out areas of focus to us this book not only encourages women to pray but reminds them of relevant prayer points many a time we set out to pray and for several reasons we spend quality time rigmarolling in the name of praying only to leave out some vital requests sometimes this could be due to forgetfulness but more often than not we are crowded out by a myriad of issues some of them not necessary at all this book enables us to speak and do only the needful when we kneel

100 of my most miraculous prayer points in one package pray them daily and violently in faith

500 powerful prayers for uncommon breakthrough is a very powerful deliverance book that one need to pray the prayer points in it to gain victory over hindrances obstacles and some life challenges that seems to be impossible to overcome there are some key prayers in this book that you must not miss to pray if you really want to have instant breakthrough the book is a complete guide on how to overcome all kinds of life challenges that has been holding you bound in a particular position powerful prayers against spiritual attacks prayers for financial breakthrough and how to pray in accordance with the will of god the book also focus much on prayers to destroy evil curses bad family background marital issues prayers to connect to supernatural powers etc god is the mighty man in battle god says i will fight for you and you will hold your peace all you need to do is to play your part by tabling it before god in prayers for those of us living poverty joblessness divorce looking for the right husband or wife loneliness confusion etc this is the right book for you knowing fully well that prayers moves mountain the word of god and prayer points in this book is like a hammer or weapon against every principalities and powers that is working against your life this is over comers manual that any body who really want to experience breakthrough in every aspect of life or someone who want to rise above principalities and powers must read or go through prayers for partner and prayers to restore devoice the word of god says pray without season pray until something happen you don t have to blame or hold any body responsible if you miss a book like this that will take you to the next level

why this book it is to further guide the young pastor in feeding and growing the church under his care our lord jesus christ did not just

ask us to pray in his name he also says that we must not pray amiss when we pray amiss the entire exercise becomes wasted and no one wants to waste his time and effort the bible says iron sharpens iron in writing this book the author has in mind that the pastor already knows what the scripture says about tithing but may not be conscious of the various angles through which the devourer attacks tithe payers my observation is that in most churches visited barely five minutes are spent praying for tithe payers however if we are to pray for these set of vital members as they deserve more time is needed and such time must be maximally spent in touching all relevant areas without splitting hairs ministry has only three main pillars 1 anointing which brings these people 2 integrity which keeps or sends them away 3 money which enables us to noise the gospel abroad it is my candid opinion that none of these vital areas of ministry deserves to be treated with levity however it has been observed that we spend a lot of time on the first two particularly anointing while barely mentioning money in our prayers for various reasons some of which i wish to state below 1 we fear of being accused of being money conscious 2 some us believe that anointing will pull in all needed resources 3 some of us just believe that money and issues pertaining to money are so unimportant that they should not even be mentioned in our prayers well the book is about those who contribute money to the church and the kind of prayers we recommend for their good prayer as you and i know is communication and one of the hallmarks of good and proper communication is being specific it is therefore not apt to just say father bless those who pay tithes in this church we have to be specific about the areas of the tithe payers lives we want god to intervene and the nature of intervention seeing that man is being increasingly short of time we have deliberately kept this book as short and simple as can be hence the little volume it is my prayers that this book helps in more ways than imaginable to expand and enliven your intercession which indeed is my goal let us not forget at all that he that waters shall surely be watered and that as you water the tithe payers they will wax stronger and become more of a blessing to the work of god happy reading
