leaving america move to china the how to guide to living a glorious life in china while still in america i wanted to find a place where i could still fulfill my dreams dreams of making enough money and having time freedom i wanted to support myself find romance and not be financially dependent on one job or boss i found out that the ideal place for me was china this book tells about my dream of going to zhongguo china and how i did it i also talk about my life in china amazing stories of the events that have occurred since i went there what s more i go over what prompted me to want to move there in the first place what are some of the awesome advantages to living in china and why i had become disenchanted with some of the aspects of living in the u s i will also tell how becoming like the chinese or becoming an old china hand can help a foreigner gain major ground and have more chances for success here by becoming an old china hand or a foreigner that has become like the local chinese in customs and speech i have received huge numbers of fulfilling job and work opportunities and have met many influential friends learning mandarin quickly was essential and i will explain how i learned it so fast without the aid of a teacher or tutor family and friends back home and in china often ask me why i chose china and why i like china so much after all they say many chinese people are trying to go to america to study and here i am leaving america and going to china what is wrong with me i have many reasons everything about china is so exciting people s attitudes are great the locals treat foreigners like royalty in addition chinese people are friendly it seems like every person i meet wants to be my friend the economy is booming with construction and other industries going on at all hours of the day and night another thing i like is that there are lots of good looking and friendly women i know this doesn t pertain to many women readers but there are also many foreign women that find love in china too there are tons of jobs i hadn t had a ton of success in hollywood as an actor when i showed up there in 2006 but since then i am fortunate to have appeared in dozens of national commercials tv shows and movies it is a peaceful society violence is rare even in the largest cities like beijing 23 million life in china just feels easier overall than in the states there are a lot of people not just in america but many western countries that are not satisfied working paycheck to paycheck trying to support their families they re just not that happy this book is a how to guide book for all the other americans out there that want to try there hand at a new and exciting life in china remember fellow americans if you are thinking of leaving america don t move to canada move to china

if you have always dreamed of living in china and are ready to take that stepf actually moving there nowhere else will you find a book that accomplishes everything you need to know in a smart organized and straightforward manner tuart and barbara strother left the u s to make a home in china withheir expertise you ll receive the information you need

learn essential background information on china from history and geography to politics and the economy

great walls in chinaschöne und traditionelle häuser in der volksrepublikmehr als 6000 jahre alt ist china die älteste hochkultur der welt und dazu die bevölkerungsreichste chinas bemerkenswerte geschichte reiche kultur und vielfalt verschiedener volksgruppen bilden ein nimmer endendes faszinousum living in china führt durch eine außergewöhnliche und einzigartige auswahl ganz unterschiedlicher häuser von

historisch bis modern in die man sonst kaum zugang hat ob es sich dabei um bamboo wall von kengo kuma handelt ein 600 jahre altes rundes erdhaus in fujian dem künstler apartment einer international gefeierten schriftstellerin deren bücher in chinaverboten waren dem hongkonger wohnsitz des besitzers des china club und von shanghai tang oder einem atelier in einer der größten künstler kommunen der welt die spektakulären häuser haben alle etwas gemein sie sind das spiegelbild des modernen chinas

from the metropolis city of beijing to the rural countryside of hunan to the warm coast of zhuhai this book will take you on an adventure through the most unique places in china from beginning to end you will learn about the famous landmarks family traditions ancient structures delicious food and crowded streets that make china so different from everywhere else

china has become one of the largest study and teach abroad travel and business destinations in the world yet few books offer a diversity of perspectives and locales for westerners considering the leap this unique collection of letters offers a rarely seen intimate and refreshingly honest view of living and working in china here ordinary people recent college graduates teachers professors engineers lawyers computer whizzes and parents recount their experiences in venues ranging from classrooms to marketplaces to holy mountains the writers are genuine participants in the daily life of their adopted country and woven throughout their correspondence is the compelling theme of outsiders coping in a culture that is vastly foreign to them and the underlying love hate struggle it engenders we follow their initial highs the shift to general discomfort and then to full blown culture shock and slowly the return of a sense of balance identity and normalcy and finally the decision to return home or stay written in a down to earth personal often humorous always authentic style these tales of trials successes and failures offer invaluable insight into a country that remains endlessly fascinating

shifting the perspective to rural populations as drivers of global change wang feng reconsiders china s meteoric rise in prosperity

this book introduces the concept of eco civilization highlights the construction and development of eco cities in china and assesses the achievements and shortcomings of china s eco city construction projects as both china and western countries face an impending ecological crisis responding to that crisis is a common challenge for all human beings there is an overwhelming consensus among chinese scholars that in order to successfully address the ecological crisis successfully we must establish an eco civilization and one important step toward accomplishing that goal is to plan and construct eco cities

using rigorous economic analysis backed by solid data and accounts of real life experiences this book twists conventional wisdom to drive the thinking about china outside the box it dispels china s economic myths and probes deep into the hidden forces that drive china s economic future
