personalized learning in the middle grades shows how teachers in grades 5-8 can leverage the use of personalized learning plans (PLPs) to increase student agency and engagement, helping youth to establish learning goals aligned with their interests and assess their own learning, particularly around essential skills that cut across disciplines. Drawing on their research and work with fifty schools in Vermont where PLPs are used statewide, the authors show how personalized learning aligns with effective middle grades practice and provide in-depth examples of how educators have implemented PLPs in a wide range of schools representing different demographics and grade configurations. They also highlight five critical roles for teachers in personalized learning environments: as empowerer, scaffolder, scout, assessor, and community builder, and illustrate how teachers can adapt the PLP process for their own unique contexts, grounded in experience and full of engaging examples, artifacts, and tools. The book builds on the emerging field of personalized learning and connects it with the developmental needs of middle schoolers to provide a unique and valuable resource for individual classroom teachers, teacher teams, school leaders, teacher educators, and others.

The Skills That Matter aims to prepare middle and high school teachers to increase students' intrapersonal and interpersonal competencies school-wide. This eight chapter book presents competency specific information and tools teachers can use to support middle and high school students' development of six key intrapersonal and interpersonal competencies. Competencies covered in this book include self-regulation, goal setting, self-efficacy, assertiveness, conflict management, and networking.

The purpose of this manual is to help dentists understand how to plan for personal and professional success at any stage of their career. A definition of success can be found in the dictionary but personal success is defined by each individual in order to obtain it. Dentists need to plan to pursue success by using someone else's standards. Success is an invitation to failure. Each chapter in this manual will discuss how to plan for your own success by utilizing the information you will be able to monitor the level of your personal achievement. Page 5.
