this book details the sources and profound consequences of 16th century christian fundamentalism simpson focuses on the cultural transformation in england that allowed common people to read the bible for the first time the last wave of reading provoked 150 years of violent upheaval as we approach a second wave this book alerts us to our peril

this book is essentially about how i have survived stupid for many and nearly 60 odd years more often than not the truth hurts but it is what it is and i am how i am what you are about to read is all completely true as i have lived it first hand and have survived it to tell my life i have heard all of my life not to judge a book by its cover as i have judged i too have also been judged either way does not work out so well in the end but i am here to tell you as far as my picture is concerned on the front cover of this book you get exactly what you see nothing is hidden not even in the book i put myself out there for all the world to see and i am afraid that all you get is plain ole silly and god fearing and

undeniably lucky me i will attempt to show you how it is that i see from my differing view through a few of my true life stories and then maybe you will begin to see why i am how i am and why i do as i do like it or not this is all that i am you get what you see and you see what you get it is all true and it is definitely truly the epitome of me mark l hudson

contributions by rebecca a brown justine gieni holly harper emily l hiltz a robin hoffman kirsten kowalewski peter c kunze jorie lagerwey nick levey jessica r mccort and janani subramanian dark novels shows and films targeted toward children and young adults are proliferating wildly it is even more crucial now to understand the methods by which such texts have traditionally operated and how those methods have been challenged abandoned and appropriated reading in the dark fills a gap in criticism devoted to children s popular culture by concentrating on horror an often neglected genre these scholars explore the intersection between horror popular culture and children s cultural productions including picture books fairy tales young adult literature television and monster movies reading in the dark looks at horror texts for children with deserved respect weighing the multitude of benefits they can provide for young readers and viewers refusing to write off the horror genre as campy trite or deforming these essays instead recognize many of the texts and films categorized as scary as among those most widely consumed by children and young adults in addition scholars consider how adult horror has been domesticated by children s literature and culture with authors and screenwriters turning that which was once horrifying into safe funny and delightful books and films scholars likewise examine the impetus behind such re envisioning of the adult horror novel or film as something appropriate for the young the collection investigates both the constructive and the troublesome aspects of scary books movies and television shows targeted toward children and young adults it considers the complex mechanisms by which these texts communicate overt messages and hidden agendas and it treats as well the readers experiences of such mechanisms
