masculinity in contemporary science fiction by men no plans for the future is the first comprehensive study of the self representation of men in sf novels published in the twenty first century by male authors exploring a broad selection of writers and works the fourteen chapters present a panoramic overview of men s contributions to current sf and explore their slow but noticeable progress in the representation of gender the impact of feminism and gender studies and the demands of readers have profoundly transformed men s sf which now presents far more caring and vulnerable male characters the old stereotypes are being replaced by a collective reflection on how men and masculinity are changing though the lack of a common agenda results in novels that while exciting and often challenging sometimes miss the chance to imagine a better anti patriarchal pro feminist future for men and for all human beings the authors analysed include robert charles wilson geoff ryman samuel r delany richard k morgan john scalzi iain m banks ernest cline james s a corey colson whitehead andy weir daniel h wilson ian mcdonald yoon ha lee tade thompson neal stephenson and kim stanley robinson

focusing on the influence of maoist ideology and masculinist power on the representations of women in revolutionary opera films made during the cultural revolution this book considers

the gendered hierarchy between masculinity and femininity in relation to the historic and cultural context in which they were made using feminist methodology and epistemology to locate women's social identity this book explores the sociological connections between the masculinisation of women and masculinist domination in the context of the cultural revolution through film analysis the author examines whether women rather than liberated were in fact re-gendered and oppressed by masculinist power by critically evaluating gender hierarchy during the chinese cultural revolution the book provides hitherto neglected insights into gender within its social and cultural context this an interdisciplinary book which should appeal to students and scholars across a range of disciplines including gender studies asian studies china studies cultural studies and film studies

the villain's journey is rare in popular culture most characters are fully formed tyrants with little to no story arc however a few particularly epic series take the time to develop complex villains including star wars battlestar galactica smallville babylon 5 game of thrones and buffy the vampire slayer increasingly villains origin stories have found new popularity through films like wicked maleficent and despicable me alongside shows starring serial killers and machiavellian schemers this book examines the villain's decline and subsequent struggle toward redemption asking why these characters are willing to cross moral lines that good characters are not the first half follows characters like loki jessica jones and killmonger through the villain's journey an inverse or twisted version of scholar joseph cambell's hero's journey the remainder of this book examines the many different villainous archetypes such as the trickster the outcast the tyrant or the misunderstood hero in greater detail written for writers creators fans and mythologists this book offers a peek into the minds of some of fiction's greatest villains

this book explores the dynamic intersections where cultures languages and spaces converge shaping identities and creating new forms of expression the authors attempt to unravel the complexity of narrative and imaginative spaces by examining cultural identities in global contexts the essays on literary representations consider abstract border crossings through rewriting and reappropriation in various genres while also looking at immigrant fiction post anthropocene narratives and hybrid spaces through a postcolonial lens the essays on history

and politics critically examine identity conflicts in the united states while the contributions on applied linguistics and language pedagogy offer insights into online teaching experiences during covid 19 sociocultural aspects of language use and the formation of bilingual identities employing innovative methods in reinterpreting literary works political narratives and different types of discourse past and present this collection contributes to ongoing scholarly dialogues on the multifaceted challenges associated with identity construction through border crossings

Shakespeare and Masculinity in Southern Fiction advances the idea that American southern  
white planter class authors have appropriated models and modes of masculinity from William  
Shakespeare Keener traces the history of this appropriation and its attendant masculinities  
from authors as early as William Gilmore Simms through Thomas Nelson Page and Thomas  
Dixon to William Faulkner This project distinctively ignores artificial divisions of literary studies  
circumventing place and time in search of meaning the work's intertextual and inter-cultural  
approach affords a unique perspective on how masculinity is defined modified by cultural  
circumstances and expressed in succeeding literature This far-reaching book bridges  
Shakespearean American southern cultural materialist and gender studies offering a critical  
reappraisal

this original study offers a revision of the Doyle myth it presents his career as a series of  
dialogic contestations with writers like Thomas Hardy and Winston Churchill
